DISTRICT BOARD STAFF REPORT

Item No. 1.D
Meeting Date: June 15, 2021
Submitted to: Honorable Chair and Members of the District Board
Department: Public Works Department
Staff Contact: Molly Brennan, Administrative Services Director

Item Title: **Approve the Engineer's Report Detailing Sewer Service Charges for Fiscal Year 2021-22**

Recommended Action: Adopt a resolution approving the engineer's report detailing Sewer Service Charges for Fiscal Year 2021-22.

Summary: On June 1, 2021 the Sanitation District Board adopted Ordinance No. 32, that established the annual sewer service charges for Fiscal Year 2021-22 (FY 2021-22). The service charge established for FY 2021-22 is \$655.20 per Equivalent Dwelling Unit (EDU.)

Discussion: On June 8, 2021, Harris & Associates prepared an engineer's report and provided a detailed list of each parcel within the Sanitation District with the applicable service charge (tax roll). Staff confirmed, through an internal quality assurance check, that the report and tax roll are accurate. Copies of the engineer's report and tax roll are available for viewing at the District Engineer's office. A letter certifying that all assessments are in compliance with Article XIII C and D of the Constitution of the State of California and that the 6,835 parcels equaling \$7,106,027.84 are subject to the Fixed Special Assessment must be filed with the San Diego County Auditor and Controller by August 10, 2021 in order to be included in the FY 2021-22 property tax statements.

Staff recommends that the Board of Directors adopt a resolution (**Attachment A**) approving the engineer's report and direct the District Clerk to file the required certification document with the San Diego County Auditor and Controller on or before August 10, 2021.

RESOLUTION NO. 2021 - 308

RESOLUTION OF THE BOARD OF DIRECTORS OF THE SANITATION DISTRICT APPROVING THE ENGINEER'S REPORT REGARDING THE SEWER SERVICE CHARGES FOR FISCAL YEAR 2021-2022

WHEREAS, pursuant to Section 5473 of the Health and Safety code, the Board has determined that the sewer service charges for Fiscal Year 2021-22 shall be collected on the tax roll in the same manner, and by the same persons, and at the same time as, together with and not separately from the general taxes and has caused to be prepared and filed with the District Clerk a written engineer's report containing a description of each parcel of property receiving service from the Sanitation District and the amount of charges for each parcel for the Fiscal Year 2021-22 computed in conformity with the charges prescribed by the applicable Resolution of the District; and

WHEREAS, on June 1, 2021 the Sanitation District Board adopted Ordinance No. 32, which established the annual sewer service charges for Fiscal Year 2021-22; and

WHEREAS, the service charge established for Fiscal Year 2021-22 is \$655.20 per Equivalent Dwelling Unit; and:

WHEREAS, such report was prepared by Harris & Associates and filed with the District Engineer.

NOW, THEREFORE, BE IT RESOLVED that the Lemon Grove Sanitation District Board of Directors of the City of Lemon Grove, California hereby:

1. Approves, affirms and adopts the engineer's report, which contains every fee and charge set forth; and
2. Directs the Clerk of the Board to file an approved, affirmed, and adopted copy of the engineer's report and a statement endorsing the engineer's report with the County of San Diego Auditor and Controller on or before August 10, 2021.

PASSED AND ADOPTED on June 15, 2021, the Board of Directors of the Lemon Grove Sanitation District, adopted Resolution No. 2021-308, passed by the following vote:

ENGINEER'S REPORT FOR FISCAL YEAR 2021–2022

The preparation of this Annual Engineer's Report ("Report") is in conformance with the obligation of the Board of Directors for the Lemon Grove Sanitation District of the City of Lemon Grove to provide sewer services upon each premise within the District that discharges sewage into sewer lines of the District for Fiscal Year 2021–2022 for the Lemon Grove Sanitation District. Services will be provided through June 30, 2022.

Pursuant to Ordinance No. 32, of the City of Lemon Grove, and in accordance with the City of Lemon Grove's Resolution being adopted by the Board of Directors of the Lemon Grove Sanitation District on the 15th day of June, 2021, this Report has been ordered for:

LEMON GROVE SANITATION DISTRICT

(Hereinafter referred to as the "District"),

I, Alison M. Bouley, authorized representative of the District, the duly appointed Engineer submit the following Report which consists of the following four (4) parts and Appendices:

PART I

Description of Improvements: This part provides a general description of improvements proposed to be maintained in the District. Plans and specifications for the improvements are on file with the District Engineer.

PART II

Estimate of Cost: This part contains the cost estimate for the operation and maintenance of the sanitary sewer facilities including incidental costs and expenses for Fiscal Year 2021–2022.

PART III

District Diagram: This part incorporates a Diagram of the District showing the external boundaries of the District. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the San Diego County Assessor for the year in which this Report was prepared and are incorporated by reference herein and made part of this Report. The District Diagram is filed under separate cover with the Clerk of the Board.

PART IV

Method of Apportionment of the Sanitary Sewer Charges : This part describes the method of apportionment of sanitary sewer charges, based upon parcel classification of land within the District in proportion to the estimated special benefits to be received. The costs and expenses of the District have been allocated upon the parcels of land within the boundaries of District pursuant to the methodology established by Ordinance No. 32 approved on the 1st day of June, 2021. For particulars as to the identification of parcels, reference is made to the District Diagram.

Appendices

- Appendix A – Sanitary Sewer Charge by Parcel
- Appendix B – Boundary of Lemon Grove Sanitation District
- Appendix C – Resolution

In conclusion, it is my opinion that the costs and expenses of the District have been allocated to the lots and parcels within the boundaries of the District in proportion to the estimated benefits to be received by each lot or parcel from the services provided.

DATED this 7th day of June, 2021

Alison M. Bouley, P.E., Assessment Engineer

R.C.E. No. C61383
Engineer of Work
County of San Diego
State of California

PART III – DISTRICT DIAGRAMS

Part III – District Diagrams

The boundaries of Lemon Grove Sanitation District are shown on the map in Appendix B. The lines and dimensions of each lot or parcel within the District are those lines and dimensions as shown on the maps of the San Diego County Assessor for the year in which this Report was prepared and are incorporated by reference herein and made part of this Report. The District Diagram is filed under separate cover with the Clerk of the Board.

PART IV – METHOD OF APPORTIONMENT

Part IV – Method of Apportionment

There is hereby levied and assessed upon each premise within the District that discharges sewage into the sewer lines of the District and upon each person owning, letting or occupying such premises an annual sewer service charge.

The annual sewer service charge is made up of two components. The first component is based on the District's annual cost to collect and transport wastewater, and is equally divided among the number of Equivalent Dwelling Units (EDUs) connected to the District's system. The second component is the District's cost for wastewater treatment and disposal fees paid to the City of San Diego for capacity and use of the San Diego Metropolitan Sewer System, and is allocated to users of the District's system based on the users' generation of annual wastewater flow, biochemical oxygen demand, and suspended solids discharged into the District's system.

The discharge characteristics of an average single family user is 1.0 EDU and shall be composed of wastewater flow of 240 gallons per day for 365 days per year and constituent levels of sewage strength of 200 milligrams per (mg/l) biochemical oxygen demand (BOD) and 200 milligrams per liter (mg/l) suspended solids (SS).

The discharge characteristics of commercial/industrial users is a minimum sewer capacity of 1.2 EDU for each business unit with flow quantity and strength measured by BOD and SS as set forth in the current edition of the California State Water Resources Control Board (State) publication "Policy for Implementing The State Revolving Fund For Construction Of Wastewater Treatment Facilities" or comparable industry standards acceptable to the State and approved by the District's Engineer. Minimum sewage strength capacity per commercial/industrial EDU is 200 mg/1BOD and mg/1SS.

Allocation of Annual Sewer Charges

Annual Sewer Service charges shall be determined as follows:

Residential Units

Type	EDU Capacity	Estimated Flow (Gallons per Day)	Annual Cost
Single Family	1.0	240	\$655.20
Condominium	1.0	240	\$655.20
Multi-Family	1.0	240*	\$655.20
Mobile Home	1.0	240*	\$655.20

* Note: Rates may be adjusted to reflect flow based upon potable water records as determined by the District's Engineer in proportion to the estimated volume of wastewater discharge to the sewer.

Commercial/Industrial Business Units

The minimum charge per commercial unit shall be 1.2 EDUs equaling \$786.24 per annum. Higher charges will be assessed for commercial/industrial EDUs with sewage strength higher than combined 400 mg/1 BOD and mg/1SS. Flow based sewer capacity to business units shall be assigned as follows:

Type	EDU Capacity
Food Service Establishments	3 minimum
Hotel and Motels	
<i>Living unit without kitchen</i>	.38
<i>Living unit with kitchen</i>	.60
Commercial, Professional, Industrial Buildings	
<i>Any office, store, or industrial condominium or establishment.</i> <i>1st 1,000 sq ft</i>	1.20
Each additional 1,000 sq ft or portion thereof	.70
Self-Service Laundry per washer	1.00
Church, theaters, and auditoriums/per each 150 person seating capacity	1.50
Schools**	
Elementary Schools for 50 pupils or fewer	1.00
Junior High Schools for 40 pupils or fewer	1.00
High Schools for 24 pupils or fewer	1.00

*** Note: Additional EDUs will be prorated based upon the above values. The number of pupils shall be based on the average daily attendance of pupils at the school during the preceding fiscal year, computed in accordance with the education code of the State of California. However, where the school has had no attendance during the preceding fiscal year, the Director shall estimate the average daily attendance for the fiscal year for which the fee is to be paid and compute the fee based on such estimate.*

RESOLUTION NO. 2021-_____

RESOLUTION OF THE BOARD OF DIRECTORS OF THE SANITATION DISTRICT APPROVING THE ENGINEER'S REPORT REGARDING THE SEWER SERVICE CHARGES FOR FISCAL YEAR 2021-2022

WHEREAS, pursuant to Section 5473 of the Health and Safety code, the Board has determined that the sewer service charges for Fiscal Year 2021-2022 shall be collected on the tax roll in the same manner, and by the same persons, and at the same time as, together with and not separately from the general taxes and has caused to be prepared and filed with the District Clerk a written engineer's report containing a description of each parcel of property receiving service from the Sanitation District and the amount of charges for each parcel for the Fiscal Year 2021-2022 computed in conformity with the charges prescribed by the applicable Resolution of the District; and

WHEREAS, on June 1, 2021, the Sanitation District Board adopted Ordinance No. 32, which established the annual sewer service charges for Fiscal Year (FY 2021-2022); and

WHEREAS, The service charge established for FY 2021-2022 is \$655.20 per Equivalent Dwelling Unit (EDU); and:

WHEREAS, such report was prepared by Harris & Associates and filed with the District Engineer. |

NOW, THEREFORE, BE IT RESOLVED that the |Lemon Grove Sanitation District Board of Directors |of the City of Lemon Grove, California |hereby:

1. Approves, affirms and adopts the engineer's report, which contains every fee and charge set forth; and
2. Directs the Clerk of the Board to file an approved, affirmed, and adopted copy of the engineer's report and a statement endorsing the engineer's report with the County of San Diego Auditor and Controller on or before August 10, 2021. |

LEMON GROVE ROADWAY LIGHTING DISTRICT

DISTRICT BOARD STAFF REPORT

Item No. **1.E**

Meeting Date: June 15, 2021

Submitted to: Honorable Chair and Members of the District Board

Department: Public Works Department

Staff Contact: Molly Brennan, Administrative Services Director
mbrennan@lemongrove.ca.gov

Item Title: **Approve the Engineer's Report Detailing Zone L
Assessments for Fiscal Year 2021-22**

Recommended Action: Adopt a resolution approving the engineer's report detailing Zone L Assessments for Fiscal Year 2021-22.

Summary: Zone L is composed of various mid-block areas throughout the City. The voters in each area identified as Zone L held an election in June 1997 to impose a \$12.00 annual assessment for single family homes and an annual assessment of \$12.00 per each \$100,000 valuation for non-residential zoned parcels in the area. The purpose of the assessment is to pay for operations, maintenance, and energy costs of mid-block street lights in each zone. Since the current assessment was created in 1997, no assessment increases have been imposed.

Discussion: On June 8, 2021, the engineer's report was completed by Harris & Associates (Harris). Harris provided the Lighting District with a detailed list of each zone within the Lighting District and the applicable service charge (tax roll). The engineer's report consists of the assessment roll for the District after a \$12.00 per benefit unit assessment has been applied to each parcel in Zone L.

The Benefit Charge is calculated by using the land use factor (determined by the County) multiplied by the number of dwelling units for residential or acres for all others. The result is the number of benefit units of the parcel. The assessment remains the same, at \$12 per benefit unit, as set by the last election on this matter (June 1997).

RESOLUTION NO. 2021 - 178

**RESOLUTION OF THE LEMON GROVE ROADWAY LIGHTING DISTRICT
APPROVING THE ENGINEER'S REPORT REGARDING THE ZONE L
CHARGES FOR FISCAL YEAR 2021-22**

WHEREAS, on June 17, 1997 the Board of Directors of the Lemon Grove Roadway Lighting District adopted Resolution No. 102 reciting the facts of an election held in the District on June 3, 1997, declaring the results of said election and levying the annual assessment; and

WHEREAS, the engineer's report for the Lemon Grove Roadway Lighting District on file with the Clerk of the Board gives a full and detailed description of the improvements, the boundaries of the Assessment District and the two zones therein, and the proposed assessments upon assessable lots and parcels of land within the District.

NOW, THEREFORE, BE IT RESOLVED that the Lemon Grove Roadway Lighting District Board of Directors of the City of Lemon Grove, California hereby:

1. Approves, affirms and adopts the engineer's report, which contains every fee and charge set forth; and
2. Directs the Clerk of the Board to file an approved, affirmed, and adopted copy of the engineer's report and a statement endorsing the engineer's report with the County of San Diego Auditor and Controller on or before August 10, 2021.

PASSED AND ADOPTED on June 15, 2021, the Board of Directors of the Lemon Grove Roadway Lighting District, adopted Resolution No. 2021-178, passed by the following vote:

AYES:

STATEMENT OF ASSESSMENT ENGINEER

Statement of Assessment Engineer

AGENCY: LEMON GROVE ROADWAY LIGHTING DISTRICT
OF THE CITY OF LEMON GROVE

PROJECT: LEMON GROVE ROADWAY LIGHTING DISTRICT

TO: THE BOARD OF DIRECTORS FOR THE
LEMON GROVE ROADWAY LIGHTING DISTRICT
CITY OF LEMON GROVE
STATE OF CALIFORNIA

ENGINEER'S REPORT FOR FISCAL YEAR 2021–2022

The preparation of this Annual Engineer's Report ("Report") is in conformance with the obligation of the Board of Directors for the Lemon Grove Roadway Lighting District of the City of Lemon Grove to provide lighting services upon each lot or parcel of land in the district and to levy assessments for lighting services in proportion to the estimated benefit to be received by each such lot or parcel of land for Fiscal Year 2021–2022. Services will be provided through June 30, 2022.

Pursuant to the Landscaping and Lighting Act of 1972 (Part 2 Division 15 of the Streets and Highways Code of the State of California, commencing with Section 22500) ("Act"), Article XIID, Section 4(a) of the State of California Constitution, and in accordance with the City of Lemon Grove's Resolution being adopted by the Board of Directors of the Lemon Grove Roadway Lighting District on the 15th day of June, 2021, this Report has been ordered for:

LEMON GROVE ROADWAY LIGHTING DISTRICT

(Hereinafter referred to as the "District"),

I, Alison M. Bouley, authorized representative of the District, the duly appointed Assessment Engineer submit the following Report which consists of the following four (4) parts and Appendices:

PART I

Description of Improvements: This part provides a general description of improvements proposed to be maintained in the District. Plans and specifications for the improvements are on file with the District Engineer.

PART II

Estimate of Cost: This part contains the cost estimate of the proposed maintenance and servicing of the improvements including incidental costs and expenses for Fiscal Year 2021–2022.

PART III

District Diagram: This part incorporates a Diagram of the District showing the external boundaries of the District. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the San Diego County Assessor for the year in which this Report was prepared and are incorporated by reference herein and made part of this Report. The District Diagram is filed under separate cover with the Clerk of the Board.

PART IV

Method of Apportionment of the Assessments: This part describes the method of apportionment of assessments, based upon parcel classification of land within the District in proportion to the estimated special benefits to be received. The costs and expenses of the District have been assessed upon the parcels of land within the boundaries of District pursuant to the initial methodology established by Resolution No. 242 approved on the 13th day of August, 1979. For particulars as to the identification of parcels, reference is made to the District Diagram.

Appendices

- Appendix A – Assessment Roll
- Appendix B – Boundary of Lemon Grove Roadway Lighting District
- Appendix C – Resolution

In conclusion, it is my opinion that the costs and expenses of the District have been assessed to the lots and parcels within the boundaries of the District in proportion to the estimated benefits to be received by each lot or parcel from the services provided.

DATED this 7th day of June, 2021

Alison M. Bouley, P.E., Assessment Engineer

R.C.E. No. C61383
Engineer of Work
County of San Diego
State of California

PART III – DISTRICT DIAGRAMS

Part III – District Diagrams

The boundaries of Lemon Grove Roadway Lighting District are shown on the map in Appendix B. The lines and dimensions of each lot or parcel within the District are those lines and dimensions as shown on the maps of the San Diego County Assessor for the year in which this Report was prepared and are incorporated by reference herein and made part of this Report. The District Diagram is filed under separate cover with the Clerk of the Board.

PART IV – METHOD OF APPORTIONMENT

Part IV – Method of Apportionment

The amount of the estimated assessment on each lot or parcel of land in the District is in proportion to the estimated benefit to be received by each such lot or parcel of land from the use of the streets and their appurtenances such as street lights. The use or benefit of a public street is best determined by the use of that land adjacent to the public street. Each lot or parcel of land in the District was determined to have a specific land use by the County of San Diego's Department of Transportation. Each type of land use was assigned a Land Use Factor determined by trip generation rated by land use as they relate to a single-family residential land use. The trip generation rates by land use were prepared by the Transportation Planning Division of the City of San Diego Planning Department and are a compilation of trip generation studies done in San Diego and other western U.S. locations.

The Land Use Factor is multiplied by the number of dwelling units, if the land use is single-family or multi-family residential, or by the number of acres for any other land use. The product of this multiplication is the number of benefit units for each lot or parcel of land to be assessed. The number of benefit units for each of the lots or parcel of land is then multiplied by the annual assessment rate per benefit unit to establish the fee for a particular lot or parcel of land. Resolution No. 102 was adopted on June 17, 1997 establishing a \$12.00 assessment per benefit unit.

Allocation of Special Benefit Assessments

The actual derivation of the Land Use Factors are as follows:

1. Each parcel of land in the District was determined by the Department of Transportation to have a specific land use.
2. Each type of land use was assigned a Land Use Factor determined by trip generation rates by land use as they relate to a single-family residential land use. The trip generation rates by land use were prepared by the City of San Diego Transportation Planning Division, Planning Department and are a compilation of trip generation studies done in San Diego and other western U.S. locations.
3. If a land use was not included in the study, the Department of Transportation made a determination as to its probable trip generation, compared it to single-family residential, and assigned a Land Use Factor on that basis.
4. Single-family residential land use was assigned a Land Use Factor of 1.0 regardless of parcel size. The theory is that all single-family residences generate approximately the same number of trips, and therefore, receive the same benefit from the use of the streets, and their appurtenances such as street lights.
5. Definition of the Land Use Factors other than single-family residential are as follows:

Land Use	Assigned Factor
Vacant Land	0.0
Irrigated Farmland, Rural Land and Agricultural Preserves	0.01
Cemetery, Mausoleum and Mortuary	0.01
Golf Courses	0.01

CITY COUNCIL STAFF REPORT

Item No. **1.F**

Meeting Date: June 15, 2021

Submitted to: Honorable Mayor and Members of the City Council

Department: Fire Department

Staff Contact: Steve Swaney, Fire Chief

Item Title: **Stryker EMS Equipment and Maintenance Agreement**

Recommended Action:

Adopt a resolution (**Attachment A**) approving the July 2021 – June 2031 agreement with Stryker for equipment replacement, and service & maintenance, and authorizing the City Manager to approve ongoing documents and agreements necessary for the agreement period.

Summary:

The City of Lemon Grove has been contracting annually with Stryker, for over 20 years, for the purchase of equipment, service, and maintenance of the Fire Department's LifePak heart monitors and Lucas CPR devices. These life saving devices are on all of our Engines and they are used on patients regularly. Stryker has offered the Heartland Fire and Rescue (HFR) cities their new contracting method called 'ALS 360'. This will allow the City to contract for a 10-year term with fixed annual pricing at today's costs for equipment replacement and service/maintenance of the Lucas and LifePak devices.

Discussion:

The City of Lemon Grove and Stryker have been contracting, on an annual basis, for the purchase of equipment (as needed), and the service/maintenance associated with this equipment annually. Stryker is our standardized sole source provider of the Fire Department's heart monitors, and CPR devices. Stryker is also the only vendor in the U.S. that can provide the Lucas and LifePak equipment and service/maintenance all in one. This equipment has been the standard in the Fire Department for many years now.

Stryker has offered the Lemon Grove Fire Department and our HFR cities their new 'ALS 360' plan. The new-style agreement will cover both the equipment replacement and the service and maintenance expenses for a 10-year period, together in one agreement. The

10-year total cost will be broken down into annual payments. Annually we will require a purchase order (beginning in FY22) in the amount of, \$35,160. The total cost for 10 years of equipment replacement and service/maintenance will be \$351,600. The City is projected to save approximately \$150,000 over the life of the agreement. Our equipment will be replaced initially, at the beginning of the agreement, and then again approximately five years into the 10-year agreement. The equipment will be serviced and maintained on a scheduled basis each year. The main difference in what we have been doing annually versus what would happen with the ‘ALS 360’ program is the equipment replacement. Now, we will receive both pieces of the program within one agreement, which includes pricing based on today’s costs and remains constant for the entire 10-year period; no annual increases. The annual cost for this agreement has been reflected in the department’s submitted FY22 budget.

RESOLUTION NO. 2021-3823

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LEMON GROVE, CALIFORNIA, APPROVING THE JULY 2021 – JUNE 2031 AGREEMENT WITH STRYKER FOR EQUIPMENT REPLACEMENT, AND SERVICE & MAINTENANCE, AND AUTHORIZING THE CITY MANAGER TO APPROVE ONGOING DOCUMENTS AND AGREEMENTS NECESSARY FOR THE AGREEMENT PERIOD

WHEREAS, the cardiac heart monitors, defibrillators, and CPR devices utilized by the Fire Department of the City of Lemon Grove (the "City") are an essential public safety tool and key to providing lifesaving measures to the public; and

WHEREAS, Stryker Sales, LLC, a division of Stryker Corporation ("Stryker") has been providing as-needed cardiac equipment and the associated maintenance and service for over twenty years to the Fire Department; and

WHEREAS, LifePak and Lucas heart monitors, defibrillators, and CPR devices (the "Devices") are the standardized equipment, and fire personnel have been extensively trained utilizing the Devices for Heartland Fire and Rescue ("Heartland"); and

WHEREAS, if new equipment was introduced, extensive costs would be incurred in replacing the units and accessories, and substantial time would be necessary to re-train staff in the proper use and operation of the new equipment; and

WHEREAS, Stryker is the sole provider in the United States of the Devices and associated maintenance and service, and has offered to lease their Advanced Life Support 360 plan (the "ALS") to the City and the other cities that are part of Heartland for a 10-year period with fixed annual lease payments priced at today's costs; and

WHEREAS, the newly-structured agreement (the "Agreement") is structured as an equipment lease for a period of 10 years, and includes the addition of equipment replacement in the first (1st) and fifth (5th) years; and

WHEREAS, Flex Financial, a division of Stryker Sales, LLC ("Flex Financial"), provides financing for the lease of the equipment to the City; and

WHEREAS, the ALS includes a 10-year service agreement (the "Service Agreement") between the City and Stryker Medical, a division of Stryker Corporation, in order to maintain the leased equipment over the life of the lease, and will cover service and maintenance expenses, in addition to equipment replacement; and

WHEREAS, in executing the Agreement at this time, the City is projected to save approximately \$150,000 over the life of the lease, and the total ten-year cost of \$351,600 will be divided into ten annual lease payments of \$35,160 each; and

WHEREAS, sufficient funds are included in the proposed Fiscal Year 2021-22 Fire Annual Budget, contingent upon City Council approval; and

WHEREAS, the City Council believes it to be in the City's best interest to execute the Agreement and the Service Agreement with Stryker, each for a ten-year term at a total cost of \$351,600, with annual payments of \$35,160 for maintenance, support and equipment replacement of the Devices.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lemon Grove, California, hereby approves entering into the Agreement with Flex Financial, a division of Stryker Sales, LLC, for the lease of the Devices as presented to the City Council at this meeting, and further approves entering into the Service Agreement with Stryker Medical, a division of Stryker Corporation, for maintenance, support and equipment replacement of the Devices, each for a term of ten years at a total, combined, cost of \$351,600, with annual payments of \$35,160, and further authorizes the City Manager, or such person as is designated by the City Manager, to execute the Agreement and the Service Agreement, and any subsequent amendments, with any such changes and refinements as may be necessary and approved by the City Manager.

Item Title: **Amendment No. 1 to the Professional Services Contract
with Rick Engineering Company**

Recommended Action: Adopt a resolution approving Amendment No. 1 to the professional services contract with Rick Engineering Company.

Summary: On February 19, 2019, the District Board authorized a professional services contract with Rick Engineering Company (Rick Engineering) for engineering services in an annual amount not to exceed \$450,000. Since then, Rick Engineering has served as the City's Contract City Engineer, Traffic Engineer, Project Engineer, Private Development Plan Check Engineer, liaison with the Lemon Grove Sanitation District's Wastewater Engineer, and Special Project Manager as needed. During the May 18, 2021 City Council meeting, staff provided the District Board information that supported the additional assistance necessary, from Rick Engineering, to help with the Sanitation District's current and upcoming capital projects. An additional \$50,000 was requested to supplement the contract in order to keep the Sanitation District's capital projects moving forward as scheduled in the Sanitary Sewer Master Plan Update (Sewer Master Plan).

Discussion: The Sanitation District's capital budget (Fund 16) has an ambitious year planned. As discussed at the Capital Improvement Plan (CIP) Workshop at the end of April, the Sanitation District has not kept pace with its capital projects included in the Sewer Master Plan. With the additional assistance of engineering staff at Rick Engineering, at an amount not to exceed \$50,000 of professional services expenditures, staff is hopeful that FY 2021-22 will be the busiest year of Sanitation District projects. Some of those projects include:

- Design of the FY 2018-19 project is in the final stages and will be bid and constructed during FY 2021-22,
- The FY 2019-20 project design contract was approved by the District Board and should be completed during FY 2021-22 and the construction contract will be bid out, and
- The FY 2020-21 project design has not started, staff is consolidating the FY 2020-21 and FY 2021-22 projects into one larger design and construction project. It is anticipated that design will be completed during FY 2021-22 and construction will begin toward the end of FY 2021-22 or beginning of FY 2022-23.

The anticipated workload shown previously warranted the specific attention of a dedicated engineer staff member to manage each of the projects. By approving Amendment No. 1, the increase to the Rick Engineering agreement, staff fully expects that each of the project planned will be designed and constructed in the next two year period.

RESOLUTION NO. 2021-309

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SANITATION DISTRICT OF THE CITY OF LEMON GROVE, CALIFORNIA, AUTHORIZING AMENDMENT NO. 1 TO THE PROFESSIONAL SERVICES CONTRACT WITH RICK ENGINEERING COMPANY

WHEREAS, since 1994 the City of Lemon Grove has contracted with Rick Engineering Company to operate a hybrid staffing model in the engineering division to provide a full-scope of engineering services; and

WHEREAS, Rick Engineering Company is a professional engineering company that has extensive experience in Lemon Grove as well as a vast staffing component that can support all engineering services needed by the City; and

WHEREAS, since 2015, Rick Engineering Company has provided contractual City Engineer services which expanded to also include private development plan review, traffic engineering services, sanitation district services, and front counter customer service activities; and

WHEREAS, on February 19, 2019, the District Board adopted a resolution awarding a three-year professional services contract for engineering services to Rick Engineering Company in the annual amount of \$450,000; and

WHEREAS, the District Board finds it in the public interest to amend the contact with Rick Engineering Company for additional professional services in the amount of \$50,000 to assist with the Lemon Grove Sanitation District's capital projects.

NOW, THEREFORE, BE IT RESOLVED that the Lemon Grove Sanitation District Board of Directors of the City of Lemon Grove, California hereby:

1. Authorizes Amendment No. 1 to the contract with Rick Engineering Company in the amount of \$50,000 for a total contract amount not to exceed \$500,000; and

Item Title: **Recreational Cannabis**

Recommended Action: Conduct the public hearing, receive public comment, and introduce an Ordinance to update the Medical Marijuana Ordinance (Title 17) and delete Chapter 8.64 (Title 8) of the Municipal Code.

Summary: Beginning in the Fall of 2020, the City Council conducted multiple workshops on the existing Medical Marijuana Ordinance in order to evaluate options for allowing recreational marijuana or cannabis sales and allowing cannabis cultivation, transportation, distribution, manufacturing, and research. Following the workshops, the Planning Commission conducted a public hearing on May 24, 2021 and recommended that the City Council update the Medical Marijuana Ordinance to allow recreational cannabis sales, cultivation, transportation, distribution, manufacturing, and research.

The proposed changes to cannabis regulations do not include any changes to existing separation standards that require proposed cannabis businesses to be located a minimum distance away from sensitive uses including but not limited to day care facilities, schools, public parks, and regulated uses such as other cannabis dispensaries. The proposed changes will allow approved dispensaries to add recreational cannabis sales and associated uses with a minor use permit. In addition to changes for existing dispensaries, the proposed changes will allow cultivation, distribution, manufacturing, and research from properties located in the Light Industrial zone subject to the approval of a conditional use permit.

Background: On November 17, 2020, the City Council discussed establishing a process for allowing recreational cannabis sales by approving changes to the Municipal Code. During the discussion, the City Council was generally supportive of maintaining current separation standards, but there was not a clear consensus on a process for existing

dispensaries to add recreational cannabis sales. During this meeting, the City Council also expressed interest in discussing options for allowing cannabis cultivation, distribution, and research.

On February 16, 2021, the City Council once again discussed amendments to the Municipal Code for allowing recreational cannabis and staff presented options for cannabis cultivation, distribution, and research. During the discussion, the City Council requested additional information on law enforcement and financial impacts associated with recreational cannabis dispensaries. The City Council also provided feedback on cultivation, distribution, manufacturing, and research options.

On May 4, 2021, staff presented research to the City Council regarding state and national policies related to recreational cannabis and their associated law enforcement and financial impacts. Crime statistics from the San Diego County Sheriff's Department were also included to provide context at the local level. During the workshop, the City Council considered staff's research and provided additional feedback regarding a draft strike-through ordinance.

On May 24, 2021, the Planning Commission conducted a public hearing and discussed proposed changes to the Municipal Code as directed by the City Council. During the public hearing, the Planning Commission requested that staff further investigate opportunities for education and outreach related to "drugged driving" and to ensure that cannabis sales to minors are prevented. Staff confirmed that the City will conduct education and outreach, similar to tobacco prevention programs, and that these issues will be evaluated in conjunction with annual reports submitted to the City by operating dispensaries.

Discussion: Proposed amendments to the Municipal Code based on the City Council's feedback and the recommendation from the Planning Commission are included in **Attachment A**. The proposed amendments are summarized in four (4) categories below which include the addition of recreational cannabis sales, new regulations for cultivation, new regulations for distribution and delivery, and the addition of manufacturing, research and development as a conditionally permitted use. Additionally, Chapter 8.64 of the Municipal Code will be deleted in order to be consistent with proposed changes to Chapter 17.32 that are described below.

Recreational Cannabis Sales – Proposed changes to the Municipal Code retitle Chapter 17.32 as "Cannabis Regulations" and include the addition of new definitions related to recreational cannabis activities. For existing approved medical marijuana dispensaries, staff added a new provision, which will allow the addition of other permitted cannabis uses with the approval of a minor use permit. As an example, the proposed process would allow an operating dispensary to add recreational cannabis sales with a publicly noticed decision by the Community Development Manager and

appeals heard by the City Council. The minor use permit will be an effective tool because it will allow conditions of approval to be placed on the new operations at an existing dispensary.

Cultivation – The Municipal Code currently allows medical marijuana cultivation by qualified patients and caregivers in the residential low (RL) and residential medium/low (RLM) zones where there is an existing single-family development as required by State law. Proposed changes to the Municipal Code will allow personal cultivation to continue in accordance with State law. For commercial cultivation, the changes will allow cultivation on any property in the Light Industrial (LI) zone subject to the issuance of a conditional use permit. For dispensaries not located in the LI zone, cultivation will be allowed in accordance with existing limitations for accessory uses and subject to either a conditional use permit or minor use permit. Operating dispensaries will be allowed to add cultivation with a minor use permit.

Delivery & Distribution – The Municipal Code does not currently allow for the delivery of cannabis. The proposed changes to the Municipal Code will allow cannabis delivery from approved dispensaries and they also clarify that legally operating dispensaries outside of the City limits may deliver cannabis to customers within the City and further clarifies that distribution will be allowed.

Manufacturing, Research & Development – The Municipal Code does not currently permit research and development. Proposed changes to the Municipal Code will allow manufacturing, research, and development on any property in the LI zone subject to the issuance of a conditional use permit. Dispensaries located outside of the LI zone will also be allowed to add manufacturing, research, and development subject to either a conditional use permit or minor use permit.

The proposed amendments to the Municipal Code are consistent with the General Plan because they will help improve the light industrial district along Federal Blvd. in accordance with Policy 1.5 of the General Plan Community Development Element, which states, “Foster revitalization of the Light Industrial district along Federal Blvd.” The proposed amendments to the Municipal Code are also consistent with Objective 4 of the General Plan Community Development Element, which seeks, “Expansion of commercial enterprises, light industries and professional services.”

The proposed Municipal Code update will result in minor changes in land use limitations regarding the permit process to sell different types of cannabis and allow cannabis

cultivation, manufacturing, research, and development as allowed by Class 5 (Minor Alterations in Land Use Limitations) of Section 15305 of the California Environmental Quality Act. The conduct of cultivation, manufacturing, research, and development is substantially similar to other light industrial and manufacturing uses and any project specific impacts will be addressed through the associated discretionary permit process.

Fiscal Impact: The fiscal impact for processing recreational cannabis applications is expected to be cost neutral. The discretionary permit process would require a deposit and recovery of staff costs.

Public Notification: Published legal notice of the public hearing in the newspaper of record on June 4, 2021.

Staff Recommendation: Conduct the public hearing, receive public comment, and introduce an ordinance to update the Medical Marijuana Ordinance (Title 17) of the Municipal Code.

ORDINANCE NO. 458

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LEMON GROVE,
CALIFORNIA, AMENDING THE LEMON GROVE MUNICIPAL CODE TO
ALLOW RECREATIONAL CANNABIS SALES AND ASSOCIATED USES**

***WHEREAS**, the City of Lemon Grove adopted ordinances for the purpose of regulating medical marijuana/cannabis sales; and*

***WHEREAS**, the City Council discussed updating existing medical marijuana/cannabis ordinances to allow for recreational marijuana/cannabis sales and associated uses; and*

***WHEREAS**, the Planning Commission conducted a public hearing to consider Municipal Code amendments for recreational marijuana/cannabis sales and associated uses on May 24, 2021 and recommended City Council approval of updates to Chapter 17.32 of the Lemon Grove Municipal Code to allow recreational cannabis sales and associated uses; and*

***WHEREAS**, the deletion of Chapter 8.64 of the Lemon Grove Municipal Code is necessary in order to be consistent with the changes to Chapter 17.32 of the Lemon Grove Municipal Code; and*

***WHEREAS**, the proposed amendments to the Municipal Code are consistent with the General Plan because they will foster revitalization of the light industrial district along Federal Blvd. in accordance with Policy 1.5 of the General Plan Community Development Element; and*

***WHEREAS**, the proposed amendments to the Municipal Code are consistent with the General Plan because they will expand commercial and light industrial opportunities for cannabis in accordance with Objective 4 of the General Plan Community Development Element; and*

WHEREAS, the proposed amendments to the Municipal Code will create a discretionary permit process for cannabis related businesses that will ensure compatibility with surrounding properties and uses.

NOW, THEREFORE, the City Council of the City of Lemon Grove, California, does ordain as follows:

SECTION ONE. The foregoing recitals are true and correct; and

SECTION TWO: The existing Lemon Grove Municipal Code Chapter 17.32, entitled "Medical Marijuana Regulations" is hereby amended to read as shown in bold, underlined and italicized additions and strikeouts in the attached Exhibit A; and

SECTION THREE: Finds that if any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Lemon Grove hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause and phrase thereof, respective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional. If any provision of this Ordinance or application thereof to any person or circumstances is held invalid. Such invalidity shall not affect other provisions or applications and, to this end, the provisions of the Ordinance are declared to be severable; and

SECTION FOUR: Finds that nothing in this ordinance or in the Codes hereby adopted shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby rescinded as cited in this ordinance; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this ordinance; and

SECTION FIVE: This Ordinance shall be effective thirty (30) days following its adoption. Within fifteen (15) days following its adoption, the City Clerk shall publish the title thereof, as a summary as required by state law.

Chapter 17.32 ~~MEDICAL MARIJUANA~~ CANNABIS REGULATIONS

17.32.010 Purpose.

This chapter establishes the regulations for ~~the use of *medical marijuana*~~ *cannabis*, to the extent allowed by state law, in a way that will minimize the impacts on the community and help pay for costs associated with the usage of a controlled substance. This chapter does not authorize or permit any conduct not allowed by state law.

17.32.020 Applicability.

- A. The intent of this chapter is to regulate the cultivation, processing and dispensing of ~~*medical marijuana*~~ *cannabis* in a manner that protects the health, safety and welfare of the community.
- B. This ~~section~~ chapter is not intended to interfere with a *qualified patient* or *primary caregiver's* right to *medical marijuana*, as provided for in California Health and Safety Code Section 11362, nor criminalize the same. *Medical marijuana* for personal use shall be in conformance with the standards set forth in this title.

17.32.030 Release of liability and hold harmless.

The owner and permittee of a ~~*medical marijuana*~~ *cannabis* ~~*dispensary business*~~ *or cultivation, facility* shall release the city of Lemon Grove, and its agents, officers, elected officials, and employees from any injuries, damages, or liabilities of any kind that result from any arrest or prosecution of ~~*cooperative or collective or cultivation*~~ *cannabis business* owners, operators, employees, *primary caregiver* or *qualified patients* for violation of state or federal laws in a form satisfactory to the ~~director~~ manager of ~~development services~~ the Community Development Department. In addition, the ~~business-owner and permittee of a *cannabis business*~~ each *medical marijuana* ~~*cooperative, collective or cultivation facility*~~ shall indemnify and hold harmless the city of Lemon Grove and its agents, officers, elected officials, and employees for any claims, damages, or injuries brought by adjacent or nearby property owners or other third parties due to the operations at the ~~*cooperative, collective*~~ *cannabis business*, and for any claims brought by any of their *customers or qualified patients* for problems, injuries, damages, or liabilities of any kind that may arise from the ~~distribution, cultivation and/or on- or off-site use of *medical marijuana*~~ *cannabis business* provided at the ~~*cooperative, collective*~~ in a form satisfactory to the ~~director~~ manager of ~~development services~~ the Community Development Department.

17.32.040 Application.

~~*Medical marijuana dispensary*~~ *Cannabis businesses* which dispense, deliver, process, manufacture, distribute, and cultivate ~~*medicinal marijuana*~~ *cannabis* shall be required to obtain a conditional use permit consistent with Section 17.28.050 prior to operation. The fact that an applicant possesses other types of state or city permits or licenses does not exempt the applicant from the requirement of obtaining a conditional use permit to operate a ~~*medical marijuana*~~ *cannabis business*.

17.32.050 Definitions.

The following words and phrases are italicized throughout this title and shall have the meanings found in this section.

“Cannabis” means all parts of the plant *Cannabis sativa* Linnaeus, whether growing or not; the seeds thereof; the resin, whether crude or purified, extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or resin. It does not include Industrial hemp, as defined in Section 11018.5 of the California Health & Safety Code, unless otherwise specified; or the weight of any other ingredient combined with cannabis to prepare topical or oral administrations, food, drink or other product.

“Cannabis accessories” means any equipment, products or materials of any kind which are used, intended for use, or designed for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, smoking, vaporizing, or containing cannabis, or for ingesting, inhaling, or otherwise introducing cannabis or cannabis products into the human body.

“Cannabis business” means any business activity involving cannabis or industrial hemp, including, but not limited to, cultivating, transporting, distributing, manufacturing, compounding, converting, processing, preparing, storing, packaging, delivering, testing, dispensing, retailing and wholesaling of cannabis, cannabis products, industrial hemp, industrial hemp products or of ancillary products and accessories, whether or not carried on for gain or profit.

“Cannabis product(s)” means raw cannabis that has undergone a process whereby the raw agricultural product has been transformed into a concentrate, including but not limited to, concentrated cannabis, or an edible or tropical product containing cannabis or concentrated cannabis and/or other ingredients. “Cannabis product(s)” also means cannabis products as defined by Section 11018.1 of the California Health and Safety Code and is not limited to medicinal cannabis products.

“Cultivation” means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis.

“Delivery” means the commercial transfer of cannabis or cannabis products to a customer by a dispensary or its authorized agents. “Delivery” includes the use by a dispensary of any technology platform owned and controlled by the retailer, or independently licensed under California law, that enables customers to arrange for or facilitate the commercial transfer by a licensed retailer of cannabis or cannabis products.

“Director” means a corporate officer, corporate board member, or employee with supervisory responsibilities of an authorized *dispensary* business that dispenses *medical cannabis*.

“Dispensary” means a facility where cannabis, cannabis accessories, or cannabis products are offered, either individually or in any combination, for retail sale.

“Distribution” means the procurement, sale, and transport of cannabis and cannabis products between licensed entities for commercial use purposes.

17.32.060 General provisions.

The following information must be submitted with an application to request *medical marijuana* use in conformance to this section and the city of Lemon Grove. All documents which relate to the general provisions and the requirements listed in the submittal requirements must be included in the *operations manual*.

- A. Physician/Patient Confidentiality. All processes and reviews conducted pursuant to this chapter shall preserve to the maximum extent possible all legal protection and privileges. Disclosure of any member information shall not be deemed a waiver of confidentiality of those records under any provision of state law.
- B. *Medical Marijuana* Cultivation Permitted by Compassionate Use Act. All cultivation of marijuana for medical purposes shall not be declared unlawful by the city of Lemon Grove when said cultivation is conducted solely for the personal medical purposes of *qualified patients*, ~~in accordance with the Compassionate Use Act of 1996. Such cultivation may include the cultivation and possession of both male and female plants in all stages of growth, clones, seedlings and seeds and related cultivation equipment and supplies. *Qualified patients* and/or their *primary caregivers* may cultivate individually and/or collectively~~ as permitted by the state of California and as outlined in the following sections.

17.32.080 Findings.

In addition to the findings required for the granting of a conditional use permit by Section 17.28.050 of this title or minor use permit by Section 17.28.052 of this title, the decision making authority shall consider the following:

- A. Whether the approval of the proposed use will violate the minimum requirements set forth in this chapter for distance separations between establishments which dispense, process or cultivate ~~*medical marijuana-cannabis*~~; and separations between establishments which dispense, process or cultivate *medical marijuana cannabis* and other specific regulated or protected land uses as set forth in this chapter.
- B. Whether the proposed use complies with Title 17 of the Lemon Grove Municipal Code.

17.32.090 Medical marijuana Cannabis dispensary regulations.

- A. Zones. *Dispensaries* may be established by conditional use permit in the heavy commercial (HC), limited commercial (LC), general commercial (GC) and light industrial (LI) zones and subject to the distance requirements. *Dispensaries* are prohibited in

mixed-use zones (Downtown Village Specific Plan and Central Commercial) and all residential zones (RLM, RL, RM, RMH).

B. Distance Requirements. An application may be submitted provided the proposed facility meets the required distance measurements. For purposes of measurements, all *dispensaries* are considered *regulated uses* and public parks as defined at Section 12.20.030 of Lemon Grove Municipal Code, playgrounds as defined at Section 18.28.020, subdivision (v), of the Lemon Grove Municipal Code, licensed day care facilities as defined at Section 17.08.030 of Lemon Grove Municipal Code, schools as defined at California Health and Safety Code Section 11362.768, subdivision (h), and alcohol and substance abuse treatment centers are considered *protected uses*. Measurement is made between the closest property lines of the *premises* in which the *regulated uses* and *protected uses* are located. A regulated use must not be:

1. Within one thousand feet of any other regulated use which is located either inside or outside the jurisdiction of the city,
2. Within one thousand feet from any protected use which is located either inside or outside the jurisdiction of the city.

The measurement of distance between uses will take into account natural topographical barriers and constructed barriers such as freeways or flood control channels that would impede direct physical access between the uses. In such cases, the separation distance shall be measured as the most direct route around the barrier in a manner that establishes direct access.

C. Standards.

1. Background Check Required for *Directors* and Employees. The *director* and employees of a *dispensary* must obtain a ~~LiveScan~~ background check through the California Department of Justice or the San Diego County sheriff's department prior to employment. *Directors* convicted of a serious felony, as defined in California Penal Code Section 1192.7, subdivision (c), and Health and Safety Code Section 11359 (Possession for sale) within the previous ten years shall not be eligible for a license. Other potential-~~collective~~ employees and volunteers convicted of the crimes identified in this section in the previous five years are ineligible for employment or participation. If during employment with the *dispensary*, a *director* or employee is convicted of a crime identified in this section shall be immediately dismissed from employment or required to resign as a corporate board member or officer. For purposes of this section, a conviction in another state that would have been a conviction equivalent under California law to those convictions specified in this section will disqualify the person from employment or volunteering at the *dispensary*.
2. Security Personnel Required. *Dispensaries* shall have at least one uniformed security guard on duty during operating hours that possess a valid Department of Consumer Affairs "Security Guard Card."
3. Community Relations Liaison Required. *Dispensaries* shall designate a community relations liaison (liaison) who shall be at least ~~eighteen~~ twenty-one years of age. The liaison may also be the *director* of the *dispensary*. To address community complaints or operational problems with the *dispensaries*, the

individual designated as the community relations liaison shall provide his or her name, phone number and email address to the following:

- a. Lemon Grove city manager;
 - b. San Diego County sheriff's department personnel supervising law enforcement activity in Lemon Grove;
 - c. All neighbors within one hundred feet of the *dispensary*.
4. Inspection of *Premises*. City code enforcement officers, San Diego sheriff's department staff, and any other employee of the city requesting admission for the purpose of determining compliance with the standards set forth in this section shall be given access to the *premises*. City and sheriff staff shall not retain information pertaining to individual patient records viewed during an inspection, and information related to individual patients shall not be made public. Inspectors will give reasonable notice of a scheduled inspection. Unannounced inspections of a *dispensary* may occur if city or sheriff's department staff have probable cause that the ~~collective~~ dispensary is violating the law.
5. Inspection Requirements. In order to facilitate verification that a *dispensary* operates pursuant to state and local laws, the following records must be maintained at the *premises* at all times and available for inspection by city code enforcement officers, San Diego sheriff's department staff, and any other employee of the city:
- a. Client Records. The *dispensary* shall keep a record of its medical marijuana clients. The record shall include the following and shall be maintained for a two-year period:
 - i. *Qualified patient* member's name, name of *primary caregiver* when appropriate, and name of *licensed physician* recommending use of *medical marijuana* for the member.
 - b. *Medical marijuana* Records. *Dispensary* shall keep a record of its *medical marijuana* transactions. The following records shall be maintained for a two-year period and labeling shall occur as specified:
 - i. A record identifying the source or sources of all *medical marijuana* currently on the *premises* or that has been on the *premises* during the two-year period preceding the current date. The record shall include the name of the cultivator or manufacturer and the address of the cultivation or manufacturing location.
 - ii. All *medical marijuana* at the *premises* must at all times be physically labeled with information that will allow for identification of the source of the *medical marijuana*.
 - iii. All *medical marijuana* at the *premises* shall be physically labeled with the monetary amount to be charged.
 - c. Financial Records. *Dispensary* shall maintain records of all transactions involving money and/or ~~medieal~~ *marijuana* occurring at the *premises*.

Records shall be maintained for a two-year period preceding the current date.

- d. Employee Records. *Dispensary* shall maintain a record of each employee/volunteer and *director*. The record shall include name and background check verification. Records shall be maintained for a two-year period following the end of an employee's employment or *director's* relationship with the *dispensary*.
6. *Operations manual*. The application for a conditional use permit shall include a detailed *operations manual* including, but not necessarily limited to, the following information:
 - a. Authorization for the city, its agents and employees, to seek verification of the information contained within the application;
 - b. A description of the staff screening process including appropriate background checks;
 - c. The hours and days of the week the *dispensary* will be open;
 - d. Text and graphic materials showing the site, floor plan and facilities of the *dispensary*. The material shall also show adjacent structures and land use;
 - e. A description of the security measures located on the *premises*, including, but not limited to, lighting, alarms, and automatic law enforcement notification;
 - f. A description of the screening, registration and validation process for *qualified patients*;
 - g. A description of *qualified patient* records acquisition and retention procedures;
 - h. The process for tracking *medical marijuana* quantities and inventory controls employed, including the source of *medical marijuana* (on-site cultivation, processing, or plant material, or processed products, received from outside sources);
 - i. Procedures to ensure accurate record keeping, including protocols to ensure that quantities purchased do not suggest re-distribution;
 - j. Other information required by the development services director.
 7. Operating Standards. *Dispensaries* shall comply with all of the following operating standards. In addition to these standards, the *dispensaries* shall comply at all times with conditions outlined in the approved conditional use permit and the operational manual.
 - a. Dispensing *medical marijuana cannabis* to an individual *qualified patient* or *primary caregiver* more than once a day is prohibited;
 - b. *Dispensaries* shall only dispense *medical marijuana* to an individual *qualified patient* or *primary caregiver* who has a valid, verified *licensed*

physician's recommendation, and if appropriate, a valid *primary caregiver* designation. The *dispensary* shall verify that the *licensed physician's* recommendation is current and valid;

- c. On-site evaluation by a *licensed physician* for the purposes of obtaining a qualified status is prohibited;
- d. *Dispensaries* shall display the client rules and/or regulations in a conspicuous place that is readily seen by all persons entering the *dispensary*. The client rules and/or regulations shall include, but are not limited to:
 - i. Each building entrance to a *dispensary* shall be clearly and legibly posted with a notice indicating that smoking, ingesting or consuming ~~*medical marijuana*~~ cannabis on the *premises* or in the vicinity of the *dispensary* is prohibited unless specifically authorized within the governing conditional use permit.
 - ii. The building entrance to a *dispensary* shall be clearly and legibly posted with a notice indicating ~~that persons under the age of eighteen are precluded from~~ criteria for entering the *premises*.
 - iii. The hours of operation for an authorized *dispensary* shall be limited to between ~~eight six~~ six a.m. to ~~eight ten~~ ten p.m. or as specified within the conditional use permit.
 - iv. *Dispensaries* shall not permit the use or consumption of ~~*medical marijuana*~~ cannabis on-site unless specifically authorized under the conditional use permit.
 - v. *Dispensaries* shall not permit the on-site display of unprocessed ~~*marijuana*~~ cannabis plants or representations of ~~*marijuana*~~ cannabis plants in any areas visible to the public;
 - vi. All signage for *dispensaries* shall require a sign permit from the city prior to installation. Signage shall not include any terminology (including slang) or symbols for ~~*marijuana*~~ cannabis.
 - vii. *Dispensaries* shall only permit the distribution of ~~*medical marijuana*~~ cannabis plant material and ~~*medical marijuana*~~ cannabis manufactured products from licensed sources as allowed by the approved conditional use permit. ~~Such distribution shall be limited to qualified patients or primary caregiver;~~
- e. *Dispensaries* shall maintain on the *premises* an on-site training curriculum capable of meeting employee, agents and volunteer training needs. The minimum training curriculum shall include professional conduct, ethics, and state and federal laws regarding patient confidentiality; specific procedural instructions for responding to an emergency, including robbery or violent incident.

- f. *Dispensaries* shall maintain all necessary permits, and pay all appropriate taxes. *Dispensaries* shall also provide invoices to cultivators and manufacturers to ensure tax liability responsibility;
 - g. *Dispensaries* shall implement procedures as outlined in their approved *operations manual*;
 - h. *Dispensaries* shall submit an “annual performance review report” for review and approval by the ~~development services director~~ Community Development Department. The “annual performance review report” is intended to identify effectiveness of the approved conditional use permit, *operations manual*, and conditions of approval, as well as any proposed modification to procedures as deemed necessary. The ~~development services director~~ Manager of the Community Development Department may review and approve amendments to the approved “*operations manual*”; and the frequency of the “annual performance review report.” ~~Medical marijuana~~ Cannabis cultivation and dispensing monitoring review fees pursuant to the current Master Fee Schedule shall accompany the “annual performance review report” for costs associated with the review and approval of the report.
 - i. *Dispensaries* shall maintain twenty-four-hour recorded video surveillance of the *premises*. Recordings shall be retained for ~~thirty~~ ninety days for inspection by city staff. City staff must provide valid cause for viewing video surveillance. City staff must ensure that patient privacy is safeguarded. Video surveillance will not be shared with law enforcement except when formally requested as part of a law enforcement investigation directly involving the *dispensary*.
 - j. Sales of alcoholic beverages are prohibited.
 - k. Sales of tobacco and tobacco products are prohibited.
 - l. Sales of drug paraphernalia are prohibited.
 - m. The location of the *dispensary* shall include the installation of a centrally monitored alarm system.
 - n. Lighting shall be installed to adequately light the exterior and interior of the *dispensary premises* while in conformance with Section 17.28.080.
8. Source of ~~Medical marijuana~~ cannabis. A *dispensary* shall only dispense ~~marijuana~~ cannabis from the following sources and this information shall be included in the *operations manual*:
- a. On-Site Cultivation, Manufacturing, and Distribution for Authorized *Dispensary*. If the conditional use permit authorizes ~~limited~~, on-site ~~medical marijuana~~ cannabis cultivation, manufacturing, or distribution at the *dispensary*, on-site cultivation, manufacturing, or distribution shall be considered an accessory use and shall not exceed twenty five percent of the ~~dispensaries’ total floor area and in no case exceed one thousand five hundred square feet. In addition to these area limitations, the accessory use shall~~ conform to the specific zone regulations, Section 17.24.060

Accessory Buildings and Uses, Section 17.32.100 of this title, and applicable Building and Fire Codes. The *operations manual* shall include information regarding the on-site cultivation including, but not limited to:

2. Cahoon, Bryan
3. Heredia, Jessica
4. Jacobs, Emily S.
5. May, Shanae
6. O'Keefe, Scott
7. Pasis, Sheryll
8. Ramos, Daniel
9. Robertson, Brian
10. Russo, Julie

Using the previously established interview method to appoint a Planning Commissioner; interviews will be conducted as follows.

- Interviews will be conducted in open session at the City Council Chambers to ensure transparency and unbiased treatment.
- Each applicant has been informed to prepare a three (3) minute statement (which will be timed).
- At the conclusion of the applicant's statement the Mayor will call on each Councilmember individually, who will have a total of two (2) minutes to ask one (1) relevant question of the applicant and receive their response, this will also be timed. Additional time or extra questioning **WILL NOT** be permitted to ensure impartiality.

After the City Council has completed all ten (10) interviews, the Council will conduct deliberations and prepare to vote to fill the Planning Commissioner vacancy. Each Councilmember will be called on to share their top choice applicant, followed by further deliberation. At the conclusion of deliberation, Council will come to a decision, appointing one of the ten (10) applicants to serve on the Planning Commission for a four (4) year term.

CITY OF LEMON GROVE

CITY COUNCIL STAFF REPORT

Item No. 4
Meeting Date: June 15, 2021
Submitted to: Honorable Mayor and Members of the City Council
Department: Finance Department
Staff Contact: Molly Brennan, Administrative Services Director
mbrennan@lemongrove.ca.gov
Item Title: **Fiscal Year 2021-2022 Consolidated Operating and Capital Budget**

Recommended Action:

- 1) Adopt a resolution (**Attachment B**) approving the Fiscal Year 2021-22 City of Lemon Grove Budget;
- 2) Adopt a resolution (**Attachment C**) approving the Salary Plan & Classification Summary;
- 3) Adopt a resolution (**Attachment D**) approving the Fiscal Year 2021-22 Appropriations Limit;
- 4) Adopt a resolution (**Attachment E**) approving the Fiscal Year 2021-22 Lemon Grove Roadway Lighting District Budget;
- 5) Adopt a resolution (**Attachment F**) approving the Fiscal Year 2021-22 Lemon Grove Sanitation District Budget;
- 6) Adopt a resolution (**Attachment G**) approving the list of projects for Fiscal Year 2021-22 funded by SB 1: The Road Repair and Accountability Act of 2017.

Summary:

Staff presents the final Fiscal Year 2021-2022 (FY 21-22) Consolidated Budget (**Attachment A**) for the City of Lemon Grove, the Lemon Grove Roadway Lighting District, and the Lemon Grove Sanitation District. The City Manager's letter at the beginning of the budget book provides a comprehensive summary of the FY 2021-22 budget and highlights the differences between the FY 2021-22 budget and previous years. For the first time in Lemon Grove history, the budget book includes a five year Capital Improvement Program.

Discussion:

On June 1, 2021 staff presented a draft of the FY 21-22 General Fund budget (**Attachment H**) and at the City Council meeting prior, on May 18, 2021, staff presented a draft of the FY 21-22 other fund budgets. The FY 2021-22 Consolidated Budget Book includes a five year Capital Improvement Program for the first time in City history. The Capital Improvement Program (CIP) identifies the City's five year plan for the design and construction of multiple capital projects. This is both a fiscal and strategic planning tool that outlines, prioritizes, and monitors all the planned projects that are funded and not funded over a "rolling" five year term. The projects detailed in the CIP were based on City Council's FY 2021-22 priorities and the feedback from the CIP workshop held on April 27, 2021.

Once the FY 2021-22 Consolidated Budget is adopted, a formal digital version of the budget book will be published for reference. Printed copies of the budget book will be provided to City Council and available to the public to review at City Hall during business hours.

General Fund

Based on the feedback received at the June 1, 2021 City Council meeting (for reference the staff report is **Attachment H**), two changes have been incorporated into the final General Fund budget that were not reflected in the previous version. First is the move from a flat City Council auto allowance to a mileage reimbursement process. Since in person meetings have not returned to pre-pandemic levels, staff believes the additional staff time to process the reimbursements will be manageable. Staff will revisit the process with City Council at the mid-year budget update to confirm it has not become burdensome. The second change is the inclusion of a 2% cost of living wage adjustment for all non-fire full-time positions, excluding the City Manager. Combined, these changes bring the operating deficit to \$149,081 for FY 2021-22.

In addition, the General Fund budget now includes the allocation of the \$1.5M in one-time revenue. As requested by City Council, the portion budgeted for treating City streets in the worst condition was increased from \$250,000 to \$350,000 and the amount to be invested in the City's 115 Trust for future pension obligations will be \$308,942.

A few notes about government accounting to assist in reading the budget tables. Some of the one-time revenue was received in FY 2020-21 while the expenditure is included in the FY 2021-22 budget. Since the revenue and expenditure timing does not fit in one fiscal year period, the bottom line will appear like a large surplus in FY 2020-21 (when the revenue was received) and like a large deficit in FY 2021-22 when the funds are spent. To see how much the City is anticipating in unrestricted General Fund reserves at the end of the fiscal year, look at the bottom right of the General Fund Revenue by Type page of the

budget. On the same page, there is a row reflecting the balance of the City's 115 Trust, which shows the \$308,942 increase between FY 2020-21 and FY 2021-22. The Trust is considered restricted because it can only be spent on future pension related costs.

Other Funds

Outside of the General Fund, the City operates 25 other funds, which accounts for approximately half of the City's financial activity. The highlights of the FY 2021-22 other fund budgets are detailed in the staff report from May 18th. There are few changes to note between the draft other fund budgets proposed on May 18th and the final version presented tonight. A few small changes were made to incorporate updated revenue projections based on new information the City has received since the May meeting and the impact of the 2% cost of living wage increase for non-fire staff.

The remainder of this staff report provides a summary of each of the five resolutions presented for consideration.

Budget Resolutions

These are the resolutions needed to approve the full FY 21-22 Consolidated Budget, all these resolutions must be approved separately. Staff presents a resolution (**Attachment B**) approving the budget for 19 funds operated by the City, as well as resolutions approving the budget of the Roadway Lighting District (**Attachment E**) and the Sanitation District (**Attachment F**). The FY 2021-22 consolidated budget (**Attachment A**) includes anticipated revenues and projected expenditures for all of these funds. The budget document follows a pattern similar to previous budget documents.

Salary Plan & Classification Summary

Staff presents a resolution (**Attachment C**) approving a Salary Plan & Classification Summary for FY 21-22. The Salary Plan & Classification Summary reflects the proposed positions and pay schedules for FY 21-22. The Salary Plan has two changes from the prior year. All full-time positions, excluding the City Manager, will receive a 2% increase in their salary as of July 1, 2021. Also, the hourly part-time positions have been updated to comply with state minimum law increases as of January 2, 2022 from \$14/hour to \$15/hour.

Appropriations Limit

As part of considering the budget, State Constitution Article XIII-B (Propositions 4 and 111) requires the City Council to establish an Appropriations Limit. The limit is adjusted each year by multiplying the previous year's limit by a factor based on either the change in the California Per Capita Personal Income (CPCPI) or the Non-Residential Construction Valuation by the population change of the City. Staff presents a resolution (**Attachment D**) for City Council approval that establishes the FY 21-22 Appropriations Limit at \$57,165,135. The proposed FY 21-22 Budget is well within that limit.

Roadway Lighting District Budget

The Lemon Grove Roadway Lighting District manages two funds for two separate activities. Fund 11, the General Benefit Fund, provides funding for street light benefits throughout the community. Fund 12, the Local Benefit Assessment Fund, provides for enhanced lighting benefits at the mid-block. Staff recommends that the Lemon Grove Roadway Lighting District Board adopt the resolution (**Attachment E**), approving the District's budget for FY 2021-22.

Sanitation District Budget

The Lemon Grove Sanitation District manages four funds—an Operations Fund (15), two Capital Funds (16 & 19), and one Reserve Fund (17). In FY 2020-21, the District anticipates generating \$7.2 million in total revenue, expending \$5.8 million in operating costs, and spending \$5.9 million on capital improvement projects. Staff recommends that the Lemon Grove Sanitation District Board adopt the resolution (**Attachment F**), approving the District's budget for FY 2021-22.

Road Repair and Accountability Act – Gas Tax

In 2017, the Road Repair and Accountability Act of 2017 (SB 1) was created to establish a new funding source in California's transportation system. This bill established a Road Maintenance and Rehabilitation Account (RMRA) in the State Transportation Fund that is intended to address deferred maintenance on the state highway system and the local street and road system. In FY 2021-22 the City is expecting to receive \$509,572 in RMRA revenue.

Each year a City must submit to the California Transportation Commission (CTC) an approved resolution that clearly describes all projects for which RMRA funds will be expended including: description, location, funds expended, completion date, and estimated useful life of the project. As discussed during the May 18th City Council meeting, the Gas Tax Fund budget reflects the plan to expend the RMRA revenue on the annual road paving program. The total budgeted to be spent on the annual road program from the Gas Tax Fund (\$630,000) is greater than the amount of RMRA revenue (\$509,572) because the City is also budgeting to spend other gas tax revenue on the same project.

Project Title: FY 2021-2022 Street Rehabilitation Project.

Project Description: This project will allocate a portion of the RMRA funds to support its annual street rehabilitation project.

Project Location: While referencing the City's pavement management program, the streets listed for treatment in FY 2018-19 through FY 2021-22 will be designed and constructed. If funding allows, additional streets that are not included in the FY 2020-21 may be included depending on the city's needs.

Project Cost Allocation: \$630,000

Proposed Schedule for Completion: FY 2021-2022.

Estimated Useful Life: The streets useful life is anticipated to be equal to or greater than 10 years without major repair work.

BUDGET BOOK

FY 2021 - 2022

This budget document serves a myriad of purposes. Most important is its use as a communications device. The budget presents the public an opportunity to review the types of services and level of service provided within the constraints of the City's finances. The allocation of financial resources translates into what services will be provided to the community. As community needs and demands for service change, the allocation of resources should respond accordingly. Therefore, this document attempts to communicate financial information to allow for an informed citizenry.

WELCOME TO OUR CITY

Just a few miles east of San Diego lies the community of Lemon Grove, a diverse mix of more than 27,000 residents who enjoy all the charm of small-town living with the conveniences of big city proximity. The City of Lemon Grove was incorporated in 1977 officially becoming California's 414th municipality on July 1, 1977.

Now in its 44th year of service, Lemon Grove leadership is working harder than ever to secure a stable future for the City.

THE CITY OF LEMON GROVE
ESTABLISHED JULY 1, 1977

ABOUT LEMON GROVE, CA

The Big Lemon Monument (photographed above in the 1950s) has been the City's iconic symbol for 90 years.

The history of Lemon Grove pre-dates incorporation back to 1869 when Robert Allison purchased a portion of Rancho Mission San Diego and became the City's first resident. A rail line was extended from San Diego to Lemon Grove in 1890, and the production of citrus and berry crops boomed in the warm, temperate climate.

The community's first subdivision was later built in 1892 which resulted in 15 - 20 structures constructed. The center of town developed along the rail lines and included a small rail depot and the first general store, which also housed the post office and a school. Still known for its near-perfect climate, Lemon Grove residents relish the City's diverse housing options for owners and renters, strong schools, local parks, and an eclectic blend of shopping and dining offerings. In fact, the City has seen a recent uptick in new families moving to Lemon Grove thanks to these very amenities. Lemon Grove is proud to be a welcoming home to a diverse mix of residents. The City's demographics are outlined

The Big Lemon Monument celebrated its 90th birthday on July 4, 2018 with a celebration and new look.

THE LEMON GROVE CITY COUNCIL

The City of Lemon Grove is a Council-Manager form of government. This is the system of local government that combines the strong political leadership of elected officials in the form of a City Council with the strong managerial experience of an appointed City Manager.

The Honorable Racquel Vasquez is Mayor of Lemon Grove. On December 20, 2016 she was sworn in as Mayor for the City quickly earning praise and recognition as the first African American female Mayor in San Diego County. Mayor Vasquez won re-election for another four year term in the November 2020 election.

Also comprising the City Council are Mayor Pro Tem Jerry Jones, Councilmember Jennifer Mendoza, Councilmember George Gastil, and Councilmember Liana LeBaron. Mayor Pro Tem Jerry Jones was first elected to the City Council on March 5, 2002 and has continued to run for re-election over the past 20 years. Councilmember Jennifer Mendoza was elected to the City Council in November 2014 and re-elected in November 2018. Councilmembers Gastil and LeBaron were elected to City Council in November 2020.

LAND USE AND TRANSPORTATION

The City of Lemon Grove today is characterized by a well-established land use pattern. The commercial and industrial areas are primarily located along Broadway and Federal Boulevard in the northern part of the City. The traditional downtown near Broadway and Lemon Grove Avenue provides shopping opportunities primarily oriented to residents and local workers. Commercial activity extends southward along Lemon Grove Avenue as well. The Big Lemon Monument, the world famous 90-year-old 3,000-pound lemon, sits prominently downtown, and recalls images of the community's industrious spirit and agricultural roots. Moreover, many buildings from Lemon Grove's early days still stand and provide a connection to the community's historic ori-

The historic lemon monument sits in the center of town at the southwest corner of Broadway and Lemon Grove Avenue. The Lemon touts the title as the only giant fruit in America next to a mass transit line. The MTS Orange Trolley Line bisects the eastern and western portions of the Broadway business corridor. Pictured above are the Lemon Grove Deli (left, 7860 Broadway) and the Lemon Grove Bakery (right, 3308 Main Street).

Lemon Grove is a transit-oriented community with convenient proximity to public transportation. The City has two trolley stations along the MTS Orange Line, 26 MTS bus stops and is bordered to the north by State Route 94 (SR-94) and the east by State Route 125 (SR-125) which allows for easy access to nearby destinations.

COMMUNITY LIFE

The City of Lemon Grove is committed to providing residents with top-quality services. Among these services is the maintenance and care of eight smoke and alcohol-free public parks (listed on page 10) for the enjoyment of residents and visitors. Parks provide diverse opportunities for physical activity and relaxation as well as a space for social gatherings and informal social interaction.

The City provides ample opportunities for community involvement. From the adopt-a-park program to engaging with the City on its four social media platforms, Lemon Grove offers plenty of hands-on and virtual opportunities for community connection.

Ample opportunities for involvement in the Lemon Grove community are available. Interested volunteers can participate in community clean-ups to help beautify streets and parks, enjoy public art events, participate in the kindness movement (#LGKindnessCounts) and more. Follow the City on its social media platforms for details on how to get involved and enjoy Lemon Grove community life.

LOCAL SCHOOLS

Student achievement is of the utmost importance in Lemon Grove School District. Keeping in line with the City’s slogan of ‘Best Climate

on Earth’, the School District touts the tagline of ‘Best School District on Earth’. The District, led by Superintendent Erica Balakian, is comprised of five elementary schools and one middle school. When middle school students matriculate, they attend high school in neighboring Grossmont Union High School District.

Elementary Schools: Lemon Grove Academy, Monterey Heights Elementary School, Mount Vernon Elementary School, San Altos Elementary School and San Miguel Elementary School

Middle School: Lemon Grove Academy of Science and Humanities (grades 7-8)

The governing body of Lemon Grove School District is the five member, voter elected Board of Education. The Lemon Grove City Council and the School Board are actively collaborating to best serve the residents of Lemon Grove.

CITY EVENTS

A handful of special events in Lemon Grove have become community traditions that generations of residents enjoy annually. These events are supported by the generous donations from City sponsors in the local business community. To become a sponsor, contact 619-825-3815.

Below: The 2017 Bonfire was the largest in history with over 5,000 people enjoying the event.

Due to public health orders restricting gatherings in order to prevent the spread of COVID-19, the City's special events are postponed for the time being. If the public health orders are lifted, the events listed below may take place over the coming year.

Summer Concerts in the Park: Beginning in the end of June every year, the City hosts a concert series with a variety of musical genres to enjoy. Traditionally, concerts are held on Thursday evenings at Berry Street Park beginning at 6:30 p.m.

Community Bonfire: For the last 21 years, the first Friday in December brings with it the annual Lemon Grove Community Bonfire. Live entertainment, activities for children, hayrides, seasonal treats and community camaraderie make the beloved event a success year after year.

Eggstravaganza: In a secular celebration of spring and Easter, the City hosts an annual Extravaganza Egg Hunt for the community.

Family Art Festival: In partnership with the Lemon Grove Branch of the San Diego County Library, an annual art festival is held each spring with a week of free art activities. Past years included painting a community mural on the Community Center and a chalk mural on School Lane.

CITY OF LEMON GROVE

Office of the City Manager

June 2021

Honorable Mayor and Members of the City Council:

On behalf of City staff, I present the Fiscal Year 2021-22 Budget for the City of Lemon Grove for your review and approval. The City is emerging from a challenging year due to the pandemic and austere expenditure cuts into a brighter future and stronger financial position. The proposed FY 2021-22 budget totals \$39,940,477 of expenditures, with \$16,832,886 of that amount designated from the General Fund. The annual budget serves as a financial road map for the upcoming year, reflecting the City Council's priorities. The FY 2021-22 consolidated budget book contains a new section for the first time in City history, a five year Capital Improvement Plan (CIP). The CIP is split into two sections, general City projects and Sanitation District projects.

On May 18, 2021 the City Council of Lemon Grove set the strategic priorities for Fiscal Year 2021-22 to be public streets & sidewalks, homelessness, community life, diversifying city revenue and economic development, and public safety. These priorities reflect the continued commitment to improve the physical and service environment in Lemon Grove. A detailed list of the FY 2021-22 priorities can be found on page 11 of this budget book. To the extent possible, all aspects of the proposed budget for FY 2021-22 are designed to address these priorities.

The General Fund budget does project operating expenditures will exceed operating revenue by a small amount. The City of Lemon Grove will provide city services by drawing down General Fund reserves if the anticipated deficit comes to pass. As elected officials and City staff, it is our fiduciary responsibility to strive to balance annual operating revenue and expenditures and maintain a safety net of reserves for the future. The City's General Fund reserve is at a healthy level, the estimated deficit is small, and City Council and staff are continuing to work on longer term revenue generating solutions to solve the structural deficit. Therefore, it is fiscally sound to use reserves as a short-term solution.

Although General Fund operating revenue is estimated to be less than annual operating expenditures, there are two bright spots in the upcoming fiscal year, the receipt of \$1.5M of one-time money and the yet to be determined one-time funding from the federal American Rescue Plan Act. The General Fund budget allocates the \$1.5 million of one-time money between City Council's FY 2021-22 priorities, pressing capital improvement projects, and investment in the City's 115 Trust for future pension obligations. In recognition that the City has local streets that need considerable rehabilitation, the City Council allocated \$350,000 to treat

CITY OF LEMON GROVE

Office of the City Manager

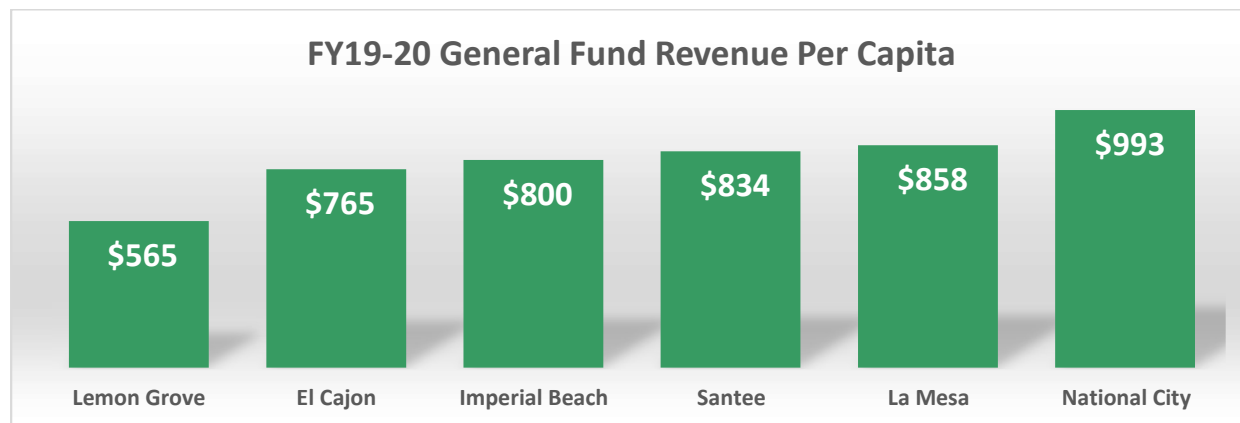

streets that have been overlooked in the past. The \$350,000 in combination with the annual road paving funded from the Gas Tax and TransNet funds will make the FY 2021-22 Road Rehabilitation Project the largest in City history.

FINANCIAL OVERVIEW

General Fund

The General Fund is the City's main operating fund, where 42% of the City's financial activity takes place. The General Fund receives most of its revenue from sales taxes and property taxes, both of which are estimated to experience growth between FY 2020-21 and FY 2021-22. Overall, General Fund revenue is projected to be 2.5% higher in FY 2021-22 than the previous fiscal year.

While revenue growth is good news, the City has a structural deficit, where revenue growth is out-paced by expenditure growth. It is important to note that the structural deficit was not caused by a spending problem nor budgetary mismanagement. Lemon Grove provides our resident's with municipal services at a much lower cost per capita than our neighboring cities and nearby cities of a similar size. The root of the problem is that Lemon Grove receives significantly less General Fund revenue per resident than neighboring cities, illustrated by the graph below.

The General Fund expenditure growth has been due to contractual obligations for law enforcement with the San Diego County Sheriff's Department, the labor contract with the Lemon Grove Fire Association, pension obligations to CalPERS due to the lowering of the investment rate of return, and for general consumer price index (CPI) increases in most vendor contracts.

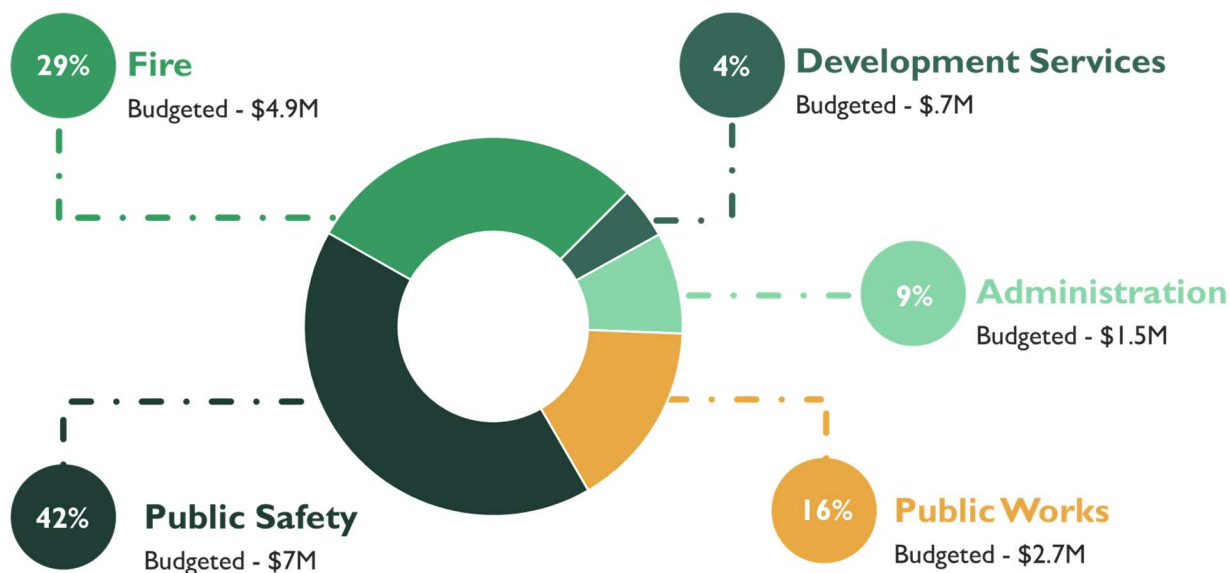

CITY OF LEMON GROVE

Office of the City Manager

In FY 2020-21 the City made austere expenditure cuts to General Fund services to manage revenue loss caused by the pandemic in combination with the structural deficit. With the City reopening for business and City voters approving a new revenue source, the Cannabis Business Tax, the picture is looking brighter for FY 2021-22 and beyond. The General Fund budget reinstates almost all cuts that were made for FY 2020-21.

The proposed General Fund expenditure budgets by department are shown in chart below. Law Enforcement, Animal Control, and Fire, the public safety services the City provides, represents 71% of total General Fund expenditures. Administration includes City Council, City Manager, City Attorney, Human Resources, City Clerk, Finance, and Non-Departmental expenditures.

In sum, the General Fund budget reflects \$15.9 million in revenue, \$16.8 million in expenditures, and an operating deficit of \$149,081. If the deficit occurs, at the end of FY 2021-22 the General Fund Unrestricted Reserve will be about \$5.9M, maintaining a balance above 25% of General Fund operating expenditures and preserving a safety net for the future.

Special Revenue Funds

Special revenue funds are detailed in the fund listing section of the budget. They include gas tax, park land dedication, supplemental law enforcement, grants, transportation development act,

CITY OF LEMON GROVE

Office of the City Manager

lighting district, TransNet, integrated waste reduction, Wildflower assessment district, serious traffic offender program, storm water program, regional transportation congestion improvement program, public education governmental access, capital equipment, and Main Street Promenade community facilities district. These are all restricted in what programs and activities they can fund and are not available for General Fund use. They do, however, contribute to the General Fund through charges for services supplied by General Fund departments and divisions based on the formal cost allocation plan.

The largest project paid for from the special revenue funds is the annual road rehabilitation project, or street repaving program, which is funded through Gas Tax and TransNet. Due to SB1, the City will receive a significant amount of funding for street improvements. Between the funding from the Gas Tax and from TransNet, there will be around \$1 million available for the City's FY 2021-22 road rehabilitation project.

Separate Entity Budgets

Sanitation District

Although included in the consolidated budget, the four sanitation related funds represent a separate entity, the Lemon Grove Sanitation District. The City of Lemon Grove Councilmembers also serve as the governing board of the Sanitation District. The Sanitation District runs as an enterprise fund, so called because it operates in its own bubble in which the revenue for the service provided should equal the cost of providing the service. In this case, the enterprise is the conveyance and treatment of wastewater within the City of Lemon Grove.

For the FY 2021-22 Sanitation Budget, operations remain similar to prior years, with a 14% increase in the cost of wastewater treatment and approximately \$5.9 million in capital projects to replace portions of the 67 miles of sewer lines the District maintains. On June 1, 2021 the Sanitation District Board adopted a FY 2021-22 sanitation rate increase of 2.875% to fund the expenditure increases mentioned above.

Successor Agency

On February 1, 2012, the City of Lemon Grove assumed the role of the Successor Agency to the former Community Development Agency, taking responsibility for winding down the Redevelopment Agency's operations and liquidating its assets. All financial activity related to the Successor Agency is reflected in the Fund 60/64 budget. The City is responsible for paying annual debt service on the former redevelopment Agency's bonds. In FY 2021-22, the debt service

CITY OF LEMON GROVE

Office of the City Manager

payments will total approximately \$1.5 million. The State of California's Department of Finance through the County of San Diego, distributes bi-annual reimbursement to the City to cover the Successor Agency debt service.

Conclusion

The City Council continues to face difficult decisions. Often the hard part of governing comes when constituents express concerns that they want more services while the City does not have the resources to accommodate existing services, let alone added services. It is a fact of life that constituents will often be single issue oriented when viewing a budget that must address a wide variety of municipal needs.

We continue to endeavor toward financial and economic sustainability and stability. Staff is committed to pursuing additional cost saving and revenue generating projects throughout the year. Budgeting is a process of estimation and projection. As the fiscal year progresses, the budget will be revised through adjustments and the mid-year update to more accurately anticipate the General Fund deficit.

In closing, I would like to express my appreciation to the City Council for providing the leadership and direction in preparation of this budget. My personal thanks goes to the City's Executive team and all City staff that continue to take City's fiscal stress to heart and worked to propose a bare bones operations budget. Special recognition and my sincerest appreciation goes out to Molly Brennan, Administrative Services Director, and her dynamic finance team for doing an incredible job of keeping all things finance and budget in order.

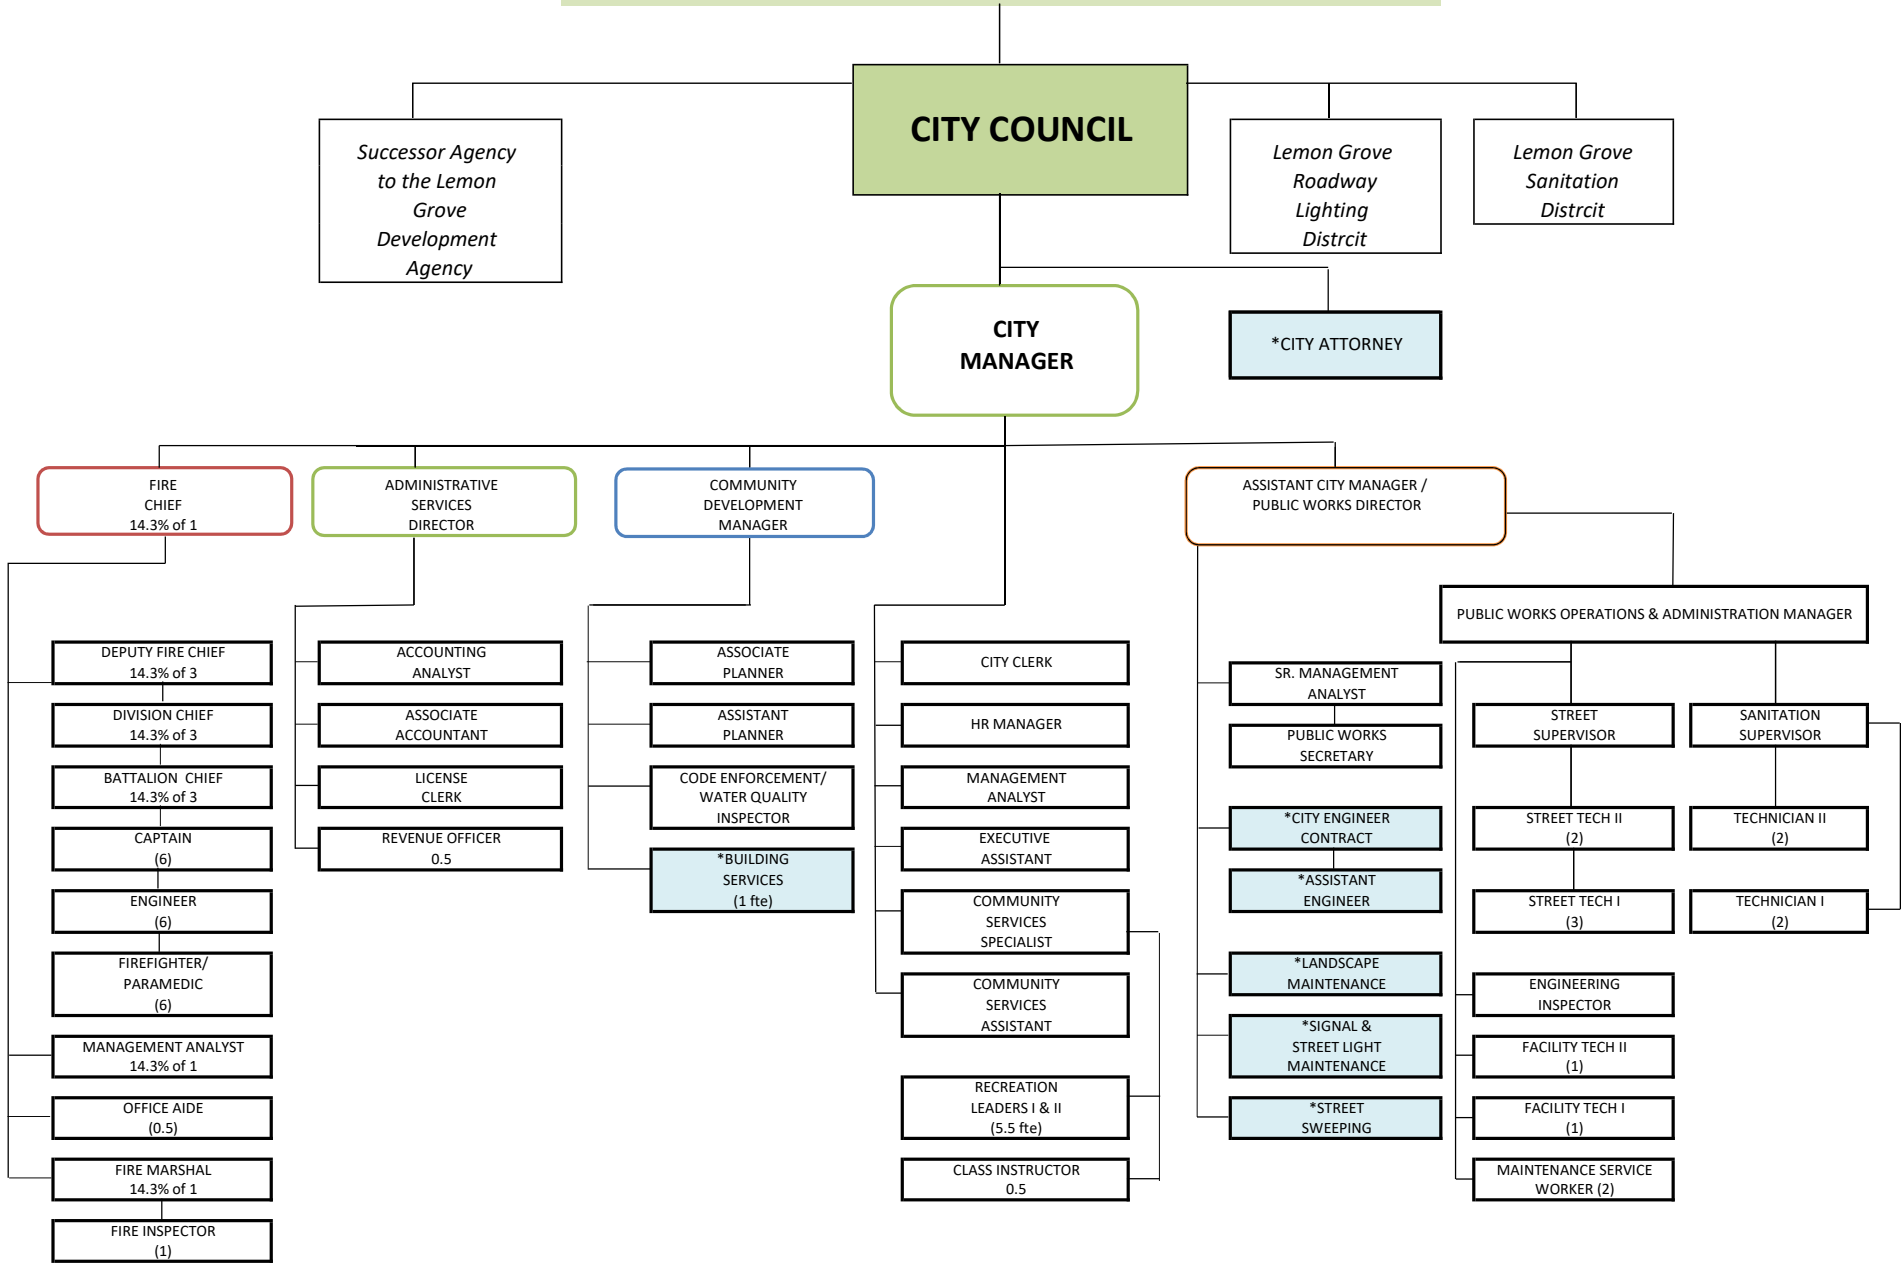

Respectfully submitted,

Lydia Romero

FUND LISTING

The City manages its revenue and expenditures through various funds. Between the City, Roadway Lighting District, and Sanitation District, the FY 2021-22 consolidated budget is comprised of 28 funds. Each fund identified in this budget is described below.

Governmental Funds

01- General Fund

The primary day-to-day operating fund for the City, which reflects all financial activity that is not required to be accounted for in another fund. Public safety, government administration, community services, street maintenance, environmental programs, and park maintenance are funded through the General Fund. The Fund Balance is an accounting term for the General Fund Reserve, the City's savings account. The reserves are intended for: use in times of emergency, one-time capital/equipment purchases, replacing equipment, grant matches, and to ensure funds are available for future financial obligations (such as pension contributions and accumulated leave time).

18- Sidewalk Reserve Fund

This fund was initially established to pool funds for larger sidewalk projects. In FY 2020-21 all remaining resources of this fund were expended on sidewalk projects.

32- Capital Equipment Fund

Initially this fund was established to track the purchase of a fire engine with grant funding in FY 2012-13. The remaining \$14,085 balance will be used in FY 2021-22 to kick start the capital investments in ADA improvements identified in the ADA Transition Plan that was completed in FY 2019-20.

Enterprise Funds

The Lemon Grove Sanitation District manages four Sanitation related enterprise funds.

15- Sanitation: Operating

The District relies on Fund 15 to collect revenue generated by Sanitation District rate payers and to pay the operational costs to operate the system.

16- Sanitation: Capital

The capital is used to set aside funds for equipment replacement, sewer rehabilitation projects, and rate stabilization.

17- Sanitation: Pure Water

The Pure Water Fund is used to save funds for the upcoming capital costs to construct the Pure Water recycling system in coordination with the City of San Diego and other neighboring communities.

19- Sanitation: Capacity

When there is a new tap-in to the sanitation system, the fee paid for the connection is maintained separately in this fund. This revenue may be used on projects that increase the capacity of the sewer system.

Special Revenue Funds

02- Gas Tax Fund

Revenues for this fund come from the State of California Gasoline Tax, including SB1 road maintenance and rehabilitation account (RMRA) monies. Fund proceeds may be used to research, plan, construct, improve, maintain, and operate local streets.

04- CARES Fund

In FY 2020-21 the City received a portion of Federal CARES Act Coronavirus Relief Funds from the County of San Diego and State of California. The funds could only be spent of the allowable uses identified by the U.S. Treasury Department in accordance with the CARSE Act legislation. All funds were received and spent by the end of FY 2020-21.

05- Parkland Dedication Ordinance Fund

The City Municipal Code requires that subdivision development set-aside park land that will eventually be developed as part of the municipal park system. The Code also allows the payment of a fee in-lieu of dedicating actual land. Proceeds in the fund may be used by the City for the purchase of park land, the development of new parks or the major rehabilitation of existing parks.

07- Supplemental Law Enforcement Fund

This fund, also known as the COPS fund, is supported by State grant proceeds. This fund is used to augment the staffing level of Sheriff Deputies. At one time, the grant amount paid for one deputy; today it pays for approximately half of one deputy position.

08- Grant Fund

This fund provides for management of grants currently being administered by the City. It functions as an "in-and-out" fund to ensure grant proceeds and expenditures are not mingled with the General Fund or other fund proceeds.

09- Community Development Block Grant Fund

This fund manages grant proceeds from the Community Development Block Grant program. Funds are expended and then reimbursed by the County of San Diego.

10- Transit Development Act Fund

Transit proceeds are allocated from the San Diego Metropolitan Transit Service (MTS) for maintenance of landscaping along the trolley corridor and maintenance of trolley stations and bus shelters throughout the City. Annually, the City is reimbursed for the prior year's expenditures.

14- TransNet Fund

This fund manages proceeds distributed by SANDAG for local street and road improvements funded through the transactions and use tax approved by San Diego County voters in 2004 for regional transportation projects (the TransNet Extension Ordinance). This fund is specifically used to finance significant right-of-way improvements (streets and sidewalks), storm drain, and traffic related projects.

21- Integrated Waste Reduction Fund

The City relies on this fund to manage its recycling and household hazardous waste disposal program as part of compliance with Assembly Bill 939 Integrated Waste Management Act of 1989. The City relies on

this fund for contractual services to provide household hazardous waste events, promote a higher level of recycling within the City, and prepare annual program reports as required by AB939.

23- Serious Traffic Offender Program Fund

This fund receives a portion of impound fees collected within the City. The City uses this fund to pay for Sheriff traffic division overtime and other traffic related expenses.

24- Federal Blvd In Lieu Fund

Rather than build out public improvements required by the redevelopment of 6470 Federal Blvd, the business at that location entered into an agreement with the City to provide money to the City in lieu of completing the public improvements themselves. The City can only spend the money on the specific public improvements listed in the agreement, such as undergrounding, sidewalks, and weed abatement, and may only spend the funds on those types of projects in the vicinity of 6470 Federal Blvd.

26- Storm Water Program Fund

The Storm Water Program Fund was established in FY 2005-06 to collect designated storm water program fees and support the City's storm water program, a State and Federal mandated program. The program fees have never fully paid for the program since its inception, so the revenue is subsidized by the General Fund. New state mandates have increased fund expenditures over the past few years.

27- Regional Transportation Congestion Improvement Program

This fund manages fees related to the passage of the TransNet Extension Ordinance. The fees, which are set annually by SANDAG, represent per housing unit fees for new residential development. Revenue collected must be used on major arterial street improvement projects.

30- Public Education and Government Fund

This fund collects designated monies from cable franchisees that operate within the City. The use of these monies is restricted to capital items that enhance or facilitate public access to government information.

Special Assessment District Funds

11 & 12- Roadway Lighting District

The Lemon Grove Roadway Lighting District manages two funds for two separate activities. Fund 11, the General Benefit Fund, provides funding for street light benefits throughout the community. Fund 12, the Local Benefit Assessment Fund, provides for enhanced lighting benefits at the mid-block.

22- Wildflower Assessment District Fund

This fund manages the Wildflower Landscaping Maintenance Assessment District. The fund tracks assessment revenue and expenditures related to landscape common areas within the Wildflower Assessment District.

33- Main Street Promenade Community Facilities District Fund

During FY 2013-14, the voters within the Main Street Promenade Community Facilities District voted to create an assessment to fund ongoing maintenance and capital improvements to the Main Street Promenade Park.

Internal Service Funds

25- Self-Insured Workers Compensation Reserve Fund

In FY 2003-04, the City began to fund its own workers' compensation program in order to have better control over the drastic increases in workers' compensation insurance premiums. This fund covers the first \$150,000 of each claim and then the excess insurance policy kicks-in.

29- Self-Insured Liability Reserve Fund

In FY 2011-12, the City established the Self-Insured Liability Reserve Fund to fund general liability claims. This fund pays for the first \$100,000 of costs related to each claim and then the City's insurance kicks-in. In FY 2020-21, the City moved from an excess insurance policy to a primary general liability policy with first dollar coverage. This fund will continue to operate while there are open claims that occurred prior to 7/1/2020 and will be phased out over the next few years.

Successor Agency Funds

60 & 64- Successor Agency Funds

This fund receives reimbursements for enforceable obligations approved by the California Department of Finance and makes payments for said obligations, namely debt service payments on bonds issued by the prior Lemon Grove Community Development Agency.

CAPITAL IMPROVEMENT PLAN

FY 2021-22 BUDGET

Five-Year Capital Improvement Program

Introduction

The Capital Improvement Program (CIP) identifies the City's five-year plan for the design and construction of multiple capital projects. This is both a fiscal and strategic planning tool that outlines, prioritizes, and monitors all the planned projects that are funded and not funded over a "rolling" five-year term. The document quantifies and defines costs, funding sources, departmental responsibilities, project phases and timing. Each year the CIP will be reviewed and updated as part of the citywide financial planning and City Council goal-setting process. At the same time, it sets a vision for long-term planning and expectations. It is also extremely valuable as a community outreach and communications tool as it clearly shows the major tax dollar investments that are planned and constructed through citywide infrastructure improvements.

The CIP includes five years of projected capital needs, the first year of which will be budgeted in the annual budget. Dollars in the first year of the five-year CIP will be authorized for spending in the project planning, bidding and award process. The remaining four years of the CIP serve as a proposed financial plan subject to annual review by the City Council.

Through the five-year program, there are two types of projects that will be highlighted. First, major rehabilitation projects includes significant maintenance and/or updates to existing infrastructure and/or facilities that provide essential public services and maintain health and safety. Examples of these projects include roadway rehabilitation, roof replacement, HVAC system upgrades and the removal and replacement of storm drainpipes. Second, new public improvements includes projects that expand existing infrastructure and/or facilities, or construct new facilities, to address present and future needs of the community. Examples include a new skate park, multi-purpose athletic field, or gateway entrance with citywide wayfinding signage.

How this Document is Organized

The CIP is broken down into three major sections. Revenue Summary, Five-Year Project Overview, and Individual Project Details.

1. Revenue Summary: Highlights funding sources that are allocated to the CIP. This is a mixture of restricted and unrestricted funds to plan, design or construct each project.
2. Five-Year CIP Summary and Project Overview: Describes projects from a variety of informational perspectives. Projects are presented by year, category, and funding source(s).
3. Individual Project Details: Specific detail about each project identified in the Five-year Project Overview that includes the project type, project category, targeted completion date, responsible department, initial funding year, project status, total project cost and funding source.

Guide to the Five-Year CIP

The CIP is an invaluable component of the City's effort to provide a safe, healthy and attractive community. The goal of this document and process is to consistently document, plan and implement projects that meet or strive to satisfy the goals and objectives established by the City Council each fiscal year.

It further outlines long-term priorities that the City Council identifies which assist staff in seeking and applying for non-general funds (e.g. grants) allowing the City to plan, design or construction those long-term projects. While the document is titled, "Five-Year CIP" it is important to note that this process is not a stagnant five years but it is a rolling five years that will be updated each year based on the goals established by the City Council to meet the needs of the community at the time.

Lastly, this CIP is different from previous versions because it captured all projects whether each has a funding source or not. This step was taken because this tool will track all projects that the City Council identifies as a priority, whether or not it has funds programmed.

Five-Year Capital Improvement Program

Revenue Summary

CIP projects rely on multiple funding sources to design and construct each project, each year. The first year funding plan for the CIP is relatively secured and pending any unforeseen challenges will be completed as shown. Yet, when looking forward to years 2-5 the consistence and stability of any CIP funding source becomes challenging for a number of reasons. First, the funds may be grant related and only serve a specific purpose in a certain amount of time. Second, the funds may emanate from the State or Federal Government. Changes at those levels in funding amounts or the outright cancellation of funds will have a trickle-down effect on future projects the City programs.

It is in this light of uncertain funding sources that the projects are still important enough to be listed and identified as a project/opportunity should a funding source come available. In these instances, the unfunded projects will be included in the CIP; however, no funding sources will be identified.

When looking at multiple funding sources for the CIP, staff relied on the Fund Listing that is embedded in the budget document, of which, is also listed below.

Governmental Funds

01 - General Fund

This is the primary day-to-day operating fund for the City, which reflects all financial activity that is not required to be accounted for in another fund. A majority of revenue from this fund comes from property and sales tax. Public safety, government administration, community services, street maintenance, environmental programs, and park maintenance are funded through the General Fund. The Fund Balance is an accounting term for the General Fund Reserve, the City's savings account. The reserves are intended for: use in times of emergency, one-time capital/equipment purchases, replacing equipment, grant matches, and to ensure funds are available for future financial obligations (such as pension contributions and accumulated leave time).

Enterprise Funds

The Lemon Grove Sanitation District manages four sanitation related enterprise funds.

15 - Sanitation: Operating

The District relies on Fund 15 to collect revenue generated by Sanitation District ratepayers and to pay the operational costs of the system.

16 - Sanitation: Capital

The capital fund is used to set aside funds for equipment replacement, sewer rehabilitation projects, and rate stabilization.

Special Revenue Funds

02 - Gas Tax Fund

Revenues for this fund come from the State of California Gasoline Tax, including SB1 road maintenance and rehabilitation account (RMRA) monies. Fund proceeds may be used to research, plan, construct, improve, maintain, and operate local streets.

05 - Parkland Dedication Ordinance Fund

The City Municipal Code requires that subdivision development set-aside park land that will eventually be developed as part of the municipal park system. The Code also allows the payment of a fee in-lieu of dedicating actual land. Proceeds in the fund may be used by the City for the purchase of park land, the development of new parks or the major rehabilitation of existing parks.

08 - Grant Fund

This fund provides for management of grants currently being administered by the City. It functions as an "in-and-out" fund to ensure grant proceeds and expenditures are not mingled with the General Fund or other fund proceeds.

09 - Community Development Block Grant Fund

This fund is used for managing grant proceeds from the Community Development Block Grant program. Funds are expended and then reimbursed by the County of San Diego.

14 - TransNet Fund

This fund is used for managing proceeds distributed by SANDAG for local street and road improvements funded through the transactions and use tax approved by San Diego County voters in 2004 for regional transportation projects (the TransNet Extension Ordinance). This fund is specifically used to finance significant right-of-way improvements (streets and sidewalks), storm drain, and traffic related projects.

24 – Federal Boulevard Developer Impact Fee Fund

This fund collects developer fees that support capital improvements related to specific areas on Federal Boulevard to construct streets, curb and gutter, sidewalk, landscaping and drainage improvements.

Five- Year Capital Improvement Program

Individual Project Detail

This section provides individual project information about each funded and unfunded project identified in the five-year CIP. The information list within each project outlines a brief description, estimated funding needs, responsible department, and the year in which the work should occur.

Facilities Projects

Public Works Yard - East Wall Replacement Project

Project Code	Project Type	Project Category	Target Completion	Responsible Dept.
	Facilities	Improvement	Summer 2022	Public Works
Initial Funding Year	Project Phase		Total Project Cost	RTIP Project Code
FY 2021-22	Not Started		\$60,000	

Project Description:

This project plans to demolish approximately 150 feet of old stucco block wall and replace it with a new wall and/or fence that will help to secure and minimize noise emitting from the Public Works Yard to nearby residential neighborhoods.

Project Description:

Perform a citywide assessment of street segments to design/construct a Complete Streets model. Each project location should promote safe and convenient access to roadways for users of all transportation modes including walking, biking, driving motor vehicle, and riding public transportation. The process shifts from planning and designing streets with motor vehicles as the dominant mode to acknowledging the mobility needs of all road users by all modes.

RESOLUTION NO. 2021 - 3827

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LEMON GROVE,
CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2021 -
2022 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF
2017**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed in law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Lemon Grove are aware of the projects proposed for funding in the community and which projects have been completed each fiscal year; and

WHEREAS, the City of Lemon Grove must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City of Lemon Grove, will receive an estimated \$509,572 in RMRA funding in Fiscal Year 2021-2022 from SB 1; and

WHEREAS, this is the fourth year in which the City of Lemon Grove is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City of Lemon Grove has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City of Lemon Grove used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City of Lemon Grove maintain and rehabilitate approximately 50 streets throughout the City this year; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found at the City's streets and roads are in a good condition and this revenue will help us increase the overall quality of the road system and over the next decade with a goal to bring our streets and roads into a very good condition; and

WHEREAS, the SB 1 project list and overall investment in the local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete

streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits city and statewide.

NOW, THEREFORE, IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of the City of Lemon Grove, California, as follows:

1. The foregoing recitals are true and correct.
2. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2021-2022 Road Maintenance and Rehabilitation Account revenues:

Project Title: FY 2021-2022 Street Rehabilitation Project.

Project Description: This project will allocate a portion of the RMRA funds to support its annual street rehabilitation project.

Project Location: While referencing the City's pavement management program, the streets listed for treatment in FY 2018-19 through FY 2021-22 will be designed and constructed. If funding allows, additional streets that are not included in the FY 2020-21 may be included depending on the city's needs.

Project Cost Allocation: \$630,000

Proposed Schedule for Completion: FY 2021-2022.

Estimated Useful Life: The streets useful life is anticipated to be equal to or greater than 10 years without major repair work.

PASSED AND ADOPTED on June 15, 2021, the City Council of the City of Lemon Grove, California, adopted Resolution No. 2021-3827, passed by the following vote:

CITY OF LEMON GROVE

CITY COUNCIL STAFF REPORT

Item No. 2

Meeting Date: June 1, 2021

Submitted to: Honorable Mayor and Members of the City Council

Department: Finance Department

Staff Contact: Molly Brennan, Administrative Services Director

mbrennan@lemongrove.ca.gov

Item Title: FY 2020-2021 General Fund Draft Budget

Recommended Action: Review and discuss.

Summary: Attached is a draft of the City of Lemon Grove 2021-2022 General Fund budget (**Attachment A**). The purpose of tonight's review is to solicit comments and discussion regarding the upcoming financial plan for July 1, 2021 through June 30, 2022. Any changes supported by a majority of the City Council will be incorporated in the formal document presented at the June 15, 2021 City Council meeting for adoption.

Discussion:

The General Fund Draft fiscal year 2021-2022 (FY 21-22) budget was presented at the May 4th 2021 City Council meeting. For reference, the staff report from that meeting is included here as **Attachment B**.

As discussed in May, the General Fund is anticipating an approximately \$125,000 deficit. Overall, revenue is projected to be 2.5% higher in FY 21-22 than FY 20-21, for a total of \$15,452,104. The draft FY 21-22 budget reinstates most temporary expenditure cuts made for FY 20-21. Expenditures in the draft budget total \$15,576,556, a 0.4% increase from FY 20-21. The increase is mainly due to the \$280,054 increase in the Sheriff's contract however, the expenditure increases were tempered by a reduction in fire lease payment.

Lemon Grove receives significantly less General Fund revenue per resident than neighboring cities, but faces similar rising costs for providing public safety services. The City has a structural deficit, where revenue growth is out-paced by expenditure growth.

At the May 4th meeting, City Council members expressed consensus to use existing General Fund reserves to pay for the anticipated deficit. The General Fund reserve is

estimated to be about \$7 million at the beginning of FY 21-22, which is 45% of FY 21-22 General Fund expenditures. In accordance with current City Council General Fund reserve policy (**Attachment C**), the reserve funding is restricted for specific uses for the amount equal to 25% or less than annual General Fund operating expenditures. Since the reserve is currently above the 25% threshold, there is funding available to use at the discretion of City Council. If the reserves are used to fund the whole deficit, the General Fund reserves will go down to about \$6.9 million at the end of the fiscal year, dropping to 44% of annual expenditures, still above the reserve policy goal. The General Fund reserve is at a healthy level, the estimated deficit is small and City Council and staff are continuing to work on longer term revenue generating solutions to solve the structural deficit. Therefore, it is fiscally prudent to use reserves as a short-term solution. The FY 21-22 budget will be revisited at the mid-year budget update and an updated year end deficit will be provided at that time.

FY 20-21 Year End Estimates

Fiscal year 2020-2021 has been an unusual year in many ways. When the budget cycle began for FY 20-21, the City was confronted with the reality of the structural deficit in combination with the enormous financial uncertainty caused by the COVID-19 pandemic. In June 2020, City Council adopted a FY 20-21 General Fund budget which included tough expenditure cuts and an estimated deficit of \$1M. The General Fund budget was revisited and updated three times during the fiscal year. The financial impact from the pandemic turned out to be less severe than initially anticipated, allowing for some service cuts to be restored.

At the last FY 20-21 budget update in early March, staff estimated the General Fund would end the year with a \$50,000 deficit. Now that more time has passed, revised year end projections are available. The FY 21-22 draft General Fund budget in **Attachment A** includes a column projecting where we will end FY 20-21. The General Fund is now expected to have an operating surplus of \$267,810. General Fund unrestricted reserves are being used to fund the City Council approved \$450,000 McKnight and Mt. Vernon emergency drainage project, so total fund balance will go down.

Budget deficits are estimates that may or may not come to pass depending on the impact of unforeseen circumstances during the year. If reserves are identified as the tool for funding a deficit, the reserve cash is only used if there is a deficit at the end of the fiscal year. Reserves are not going to be needed to pay for FY 20-21 operating expenditures because of unforeseen expenditure savings and revenue since March. Although City Council authorized hiring for the vacant public works positions that had previously been frozen, not all positions have been filled to date and an additional public works Street Tech II position has been vacated. In addition, two (2) fire employees left employment with the City and their positions have yet to be filled. The staffing vacancies are reducing anticipated expenditures. On the revenue side, April was a record breaking month for

building permit revenue due to the permit application submission for the Kelvin and Dain Dr. projects. While 75% of building permit revenue is passed on to the City’s third party building contractor, Esgil, the other 25% is retained for costs to the Community Development department. The operating surplus is good news for FY 20-21, however, neither of the circumstances leading to the surplus are long-term in nature.

Outstanding Items to Consider

At the May 4th City Council meeting, there was interest expressed in not restoring the City Council auto allowance stipends and instead using a mileage reimbursement process. Currently, the draft budget includes auto allowance expenditures of \$2,100 per elected official, for a total impact to the General Fund of \$7,035 (67% of total cost). The 2021 IRS Standard Mileage Rate is 56 cents per mile. Without a policy in place defining what would be eligible for reimbursement, it is challenging to estimate how much a mileage reimbursement system will cost. However, with many regional meetings continuing to be remote, staff is estimating that transitioning to mileage reimbursement for FY 21-22 will save the General Fund approximately \$3,500.

The FY 21-22 draft budget includes a 2% wage increase for all fire public safety staff in accordance with the Fire Association’s labor agreement. For parity’s sake, staff is providing the data for City Council to consider a similar wage increase for non-fire staff, excluding part-time non-benefited positions and the city manager’s position. The last time non-fire staff received a salary increase was in July of 2016, five years ago. Lemon Grove’s wages are not keeping up with the cost of living for the San Diego area. The table below shows the San Diego Consumer Price Index (CPI) percentage change per calendar year. CPI is used as a measurement tool for the cost of living changes in an area over time. Over the last five years, San Diego CPI has grown a total of 12.3%.

Year	CPI
2016	2.0%
2017	3.0%
2018	3.4%
2019	2.4%
2020	1.5%

Staff was asked to show the cost of a 1% or 2% wage increase for non-fire staff.

- Option 1 - A 1% increase for non-fire staff will cost an additional \$29,507 during FY 21-22, with \$13,782 being paid by the General Fund.
- Option 2 - A 2% increase for non-fire staff will cost an additional \$60,005 during FY 21-22, with \$27,563 being paid by the General Fund.

As a reminder, personnel costs are distributed among the various funds based on the substance of work, so the full cost of a wage increase will not be paid by the General Fund. These costs represent both the cost of the wages and the related payroll tax and CalPERS pension costs. Staff believes either option is manageable this fiscal year.

One-Time Money Allocation

The City has received some one-time revenue that has not yet been allocated for FY 21-22. In February, the City received a settlement of \$1,083,000 from the property owner of the previous site of two (2) illegal marijuana dispensaries. In addition, the California Department of Finance has approved a \$457,942 loan payment to the City from the Successor Agency for FY 21-22. Together, that is a total of \$1,540,942 in one time money available to budget for the upcoming fiscal year. It is a sound financial practice to use one-time money for one-time expenditures.

Although this topic was discussed at the May 4th City Council meeting, staff would like to review the proposed allocation once more before it is finalized in the adopted budget. The previous discussion centered on how to split the one-time money between City Council priority projects, pressing capital improvement projects, and investment in the City’s 115 Trust for future pension obligations. Based on the feedback provided at the May 4th City Council meeting and the priority setting workshops, the following allocation is proposed for the FY 21-22 budget. After City Council confirmation this evening, the one-time revenue and expenditures will be added to the FY 21-22 General Fund Budget document.

Capital improvement plan (CIP) projects were discussed and prioritized at the April 27th workshop, with a minimum need of \$520,000 identified for the most pressing projects and the desire to spend \$250,000 to treat City streets with a pavement condition index (PCI) of 25 or less. The CIP projects and estimated costs are listed in the table below, for a total allocation of \$770,000 paid by the one-time General Fund money.

Capital Improvement Projects	
Project Name	Amount
Public Works Yard – East Wall Replacement	\$60,000
Recreation Center Roof Replacement	\$70,000
Fire Department Drainage Repair	\$20,000
Phase II Berry St Park Walking Path Repair	\$10,000
Park Restroom Project	\$80,667
69 th St Joint Paving with City of San Diego	\$40,000
Crane St Rehab	\$95,000
Golden Ave St Rehab	\$144,333
Treat Streets with 25 PCI or less	\$250,000
TOTAL	\$770,000

City Council formally adopted a set of priorities for FY 21-22 at the May 18th City Council meeting. Some of those priorities can be accomplished with existing resources and some require additional funding. The priorities that will need funding are listed in the table below. Most of these are one-time projects that are ideal for funding with one-time revenue. To accomplish the goals of improving communication and improving traffic conditions, staff is recommending testing pilot programs with the addition of trial basis staffing. For FY 21-22, the City will hire of a part time Public Information Officer and expand the Sheriff’s Department contract to add a part time Motorcycle Traffic Deputy. During next year’s budget cycle, the pilot programs will be evaluated to consider whether the additional staffing achieved City Council’s priorities and whether there are financial resources available to maintain the new staff into the future.

City Council FY 21-22 Priorities	
Priority	Amount
Sidewalk Master Plan	\$75,000
Sales Tax Survey	\$35,000
Economic Development Plan	\$50,000
City Council Team Building	\$30,000
Public Information Officer Pilot Program	\$45,000
City Newsletter	\$7,000
PT Motorcycle Traffic Deputy Pilot Program	\$120,000
TOTAL	\$362,000

The remaining \$408,942 of one-time revenue will be invested in the City’s 115 Trust for future pension obligations. The General Fund net pension liability was approximately \$6M as of 6/30/2020 and there is currently \$1,010,577 invested in the 115 Trust. With the addition of the one-time money, the balance in the Trust will increase to \$1,419,519. Investments in the 115 Trust count towards the General Fund restricted reserves. To date, the investments made in the Trust on behalf of the General Fund have generated \$116,213 of interest earnings, or a 13% net return. Utilizing the 115 Trust allows the City to generate more interest than our other investment options, maintains local control over the money, and creates a resource which can be used to lessen the General Fund impact of the upcoming unfunded accrued liability payment increases to CalPERS over the next ten years.

American Rescue Plan Act

Due to the recent passage of the American Rescue Act by the federal government, the City is expecting to receive about \$5M in additional stimulus funding. Half of the funding will be provided for FY 21-22 and half the following year. The U.S. Treasury Department is responsible for the administration of the funds. As a City with a population under 50,000 residents, our funding is being given to the State of California and then distributed to us.

As of the writing of this report, we are still waiting to hear from the CA Department of Finance on the exact timing and exact dollar amount Lemon Grove will receive in the near future. Cities and counties over 50,000 residents have already received their final allocation amounts and can directly request their funding from the federal government, so they are further ahead in the allocation process than small cities.

The U.S. Treasury Department recently published written guidance on the allowable uses of these funds. Further clarification and details continue to come from the Department daily. Unfortunately, the guidance from the U.S. Treasury Department is much more restrictive than the original bill language. Staff is working on an initial set of ideas to bring to City Council to spark discussion and decision-making about how to spend the American Rescue Plan funding. The item will be agendaized after the City's funding allocation is final, so we know how much money we have to allocate across various projects and programs. When the City's plan to expend the American Rescue Plan Act funds is formalized by City Council, staff will include a budget adjustment for any relief on the General Fund.

Conclusion

The purpose of tonight's review is to solicit comments and discussion regarding the upcoming financial plan for July 1, 2021 through June 30, 2022. Any changes supported by a majority of the City Council will be incorporated in the formal document presented at the June 15, 2021 City Council meeting for adoption.

Item Title: FY 2021-2022 General Fund Draft Budget

Recommended Action: Review and discuss.

Summary: Attached is a draft of the City of Lemon Grove 2021-2022 General Fund budget. The purpose of tonight's review is to solicit comments and discussion regarding the upcoming financial plan for July 1, 2021 through June 30, 2022. Any changes supported by a majority of the City Council will be incorporated into the revised draft to be presented at an upcoming City Council meeting.

Discussion:

Lemon Grove's General Fund is the City's primary day-to-day operating fund. Public safety, government administration, community services, street maintenance, environmental programs, and park maintenance are all funded through the General Fund. The City has other programs that are funded with restricted revenue sources. Those other funds, including the Lemon Grove Sanitation District, are not being discussed tonight. The other funds fiscal year 2021-2022 (FY 21-22) budgets are scheduled on the May 18, 2021 City Council meeting agenda.

As discussed at the April 6, 2021 City Council meeting, Lemon Grove receives significantly less General Fund revenue per resident than neighboring cities, but faces similar rising costs for providing public safety services. The City has a structural deficit, where revenue growth is out-paced by expenditure growth.

It is important to note that the structural deficit is not caused by a spending problem nor budgetary mismanagement. Lemon Grove provides our resident's with municipal services at a much lower cost per capita than our neighboring cities and nearby cities of a similar size. The expenditures growth has been due to contractual obligations for law

enforcement with the San Diego County Sheriff's Department, the labor contract with the Lemon Grove Fire Association, pension obligations to CalPERS due to the lowering of the investment rate of return, and for general consumer price index (CPI) increases in most vendor contracts.

When the budget cycle began last year for FY 20-21, the City was confronted with the reality of the structural deficit in combination with the enormous financial uncertainty caused by the COVID-19 pandemic. In June 2020, City Council adopted a FY 20-21 General Fund budget that funded FY 20-21 operations through tough expenditure cuts, one-time revenue, and unrestricted reserves. The General Fund budget was revisited and updated three times during the fiscal year as the financial impact from the pandemic turned out to be less severe than initially anticipated. After the most recent budget update, about \$750,000 of expenditure cuts were implemented for FY 20-21. A complete list of the cuts can be found in **Attachment A**. When the cuts were made, City Council directed staff that the cuts would be temporary, therefore most of the expenditure reductions have been removed from the draft budget before you this evening. In other words, most of the items that have been cut for FY 20-21 were put back in at FY 19-20 budget levels.

Two of the cost saving measures implemented in FY 20-21 were not reinstated. The draft budget maintains the current level of Sheriff's staffing, which means the Patrol Deputy and Property & Evidence Specialist that were cut for FY 20-21 remain eliminated. In addition, beginning July 1, 2020 the City became members of CJPIA, a pooled insurance authority for public agencies in California. By switching to a primary general liability program and moving the worker's compensation coverage to CJPIA, the City committed to the change for three (3) years. So far, membership in CJPIA has saved the City money and provided expanded training opportunities for staff at no additional cost. Staff will continue to revisit the relationship over the next two (2) years to make sure it is in the City's best interest to continue with CJPIA or consider a move back to PRISM, our previous insurance provider.

FY 2021-2022 General Fund Revenue

The pie chart above shows the City’s estimated FY 21-22 revenue by source. Sales tax revenue is the City’s main source of revenue and is expected to grow 2.4% from FY 20-21 to FY 21-22. Sales tax projections are based on trends by industry group. Using guidance from the City’s sales tax consultants, HdL, the City is anticipating a dip in Autos & Transportation after their stellar growth in FY 20-21 and growth in every other industry. Notably, the projections assume about 3% growth in the state and county pools, the source from online activity. However if Amazon gets approved to switch their allocation to only the California cities with warehouses, our revenue will significantly decline from this industry group.

Property tax revenue is the City’s second largest source of revenue and is expected to grow 3.6% from FY 20-21 to FY 21-22. In Lemon Grove, 24.4% of taxable assessed property values fall within the designated redevelopment area. The portion of property in the redevelopment area includes 92% of all commercial property values within the City. Until all debt obligations have been repaid for the previous Community Development Agency (2037), the City’s General Fund only receives a tiny bit of this property tax revenue (\$220,000 for FY 21-22).

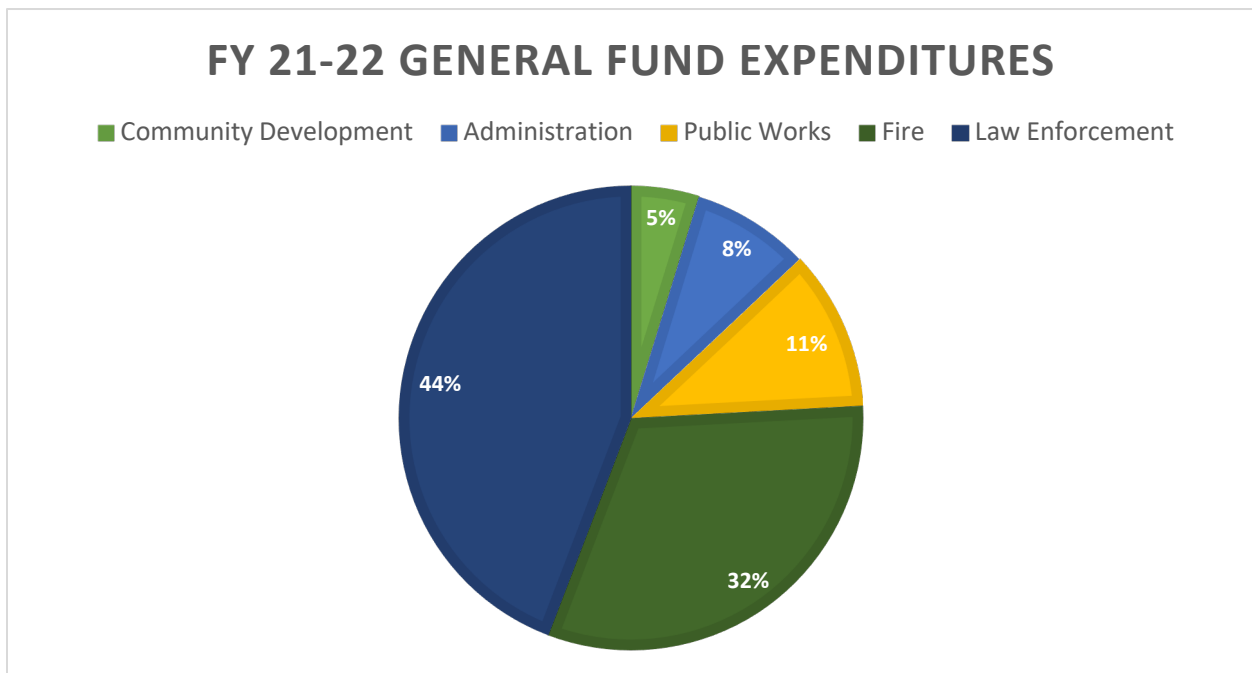

When Lemon Grove properties outside of the designated redevelopment area pay their property taxes, the City of Lemon Grove General Fund receives \$0.1385 of each dollar

paid. **Attachment B** is graphic representation of how a Lemon Grove property tax dollar is distributed amongst public agencies.

The City’s portion of revenue from the state in lieu of vehicle license fees continues to grow as well. The calculation is tied to the assessed property values within the City, so as property values grow, so does this revenue source.

A few other revenue source differences to note. The City plans to reopen as a Passport Acceptance Facility as of July 1, 2021. FY 21-22 will be the first year where the Cannabis Business Tax is effective the entire fiscal year. Staff is estimating \$400,000 in revenue from the tax and the status of this revenue source can be revisited during the mid-year update. Overall, revenue is projected to be 2.5% higher in FY 21-211 than FY 20-21, for a total of \$15,452,104.

FY 2021-2022 General Fund Expenditures

The pie chart above reflects the draft General Fund budget expenditures by department. The percentage breakdown is very similar to years past as this represents a FY 19-20 level of service.¹ All authorized staff positions are budgeted for, meaning no more hiring freeze. City Council and the City Manager have had their 10% salary cuts removed.

¹ The next version of the General Fund budget will include any changes resulting from the priority setting conversation.

The draft budget does incorporate known cost increases or cost decreases for existing services. The largest being the contractual 4.5% increase in the Sheriff's services, an increase of \$280,054. FY 21-22 is the final year in the current five (5) year contract with the County Sheriff's Department for law enforcement services. A new contract will be negotiated during FY 21-22.

The City's insurance premiums for general liability and worker's compensation coverage are going down 3% (\$11,540 savings), but the premium for property coverage is going up 40% (\$13,640 increase) for a net impact of \$2,100. SDG&E is raising energy prices about 10%, resulting in an estimated \$7,325 in increased General Fund costs. The City's existing contract with Rick Engineering has a built-in annual cost escalator of 3%, of which they have agreed to only apply to the Principal rate for FY 21-22.

There are a few expenditure reductions between FY 20-21 and the draft FY 21-22 budget. FY 20-21 was the final year of a vehicle lease for a fire engine. Now that the engine is fully paid off, FY 21-22 will see an expenditure decrease of \$87,000 in the fire department. FY 20-21 was an election year, while FY 21-22 is not, resulting in a reduction of about \$83,000. However, this is a temporary reduction. Every other year is an election year, so this expenditure will return in the FY 22-23 budget.

On the personnel side, there are changes for implementation of the Fire Association labor agreement and changes to CalPERS pension rates. The current labor agreement contains a 2% wage increase for fire staff as of July 1, 2021 and the members are enrolled in the safety classic CalPERS retirement plan (13 employees) will be responsible for paying an additional 1% of their earnings to CalPERS on behalf of the City.

The City makes two (2) types of payments to CalPERS, a one-time annual lump sum for unfunded accrued liability (UAL) and a percent of payroll for active employees, with the percentage depending on which CalPERS plan they are enrolled in. In FY 21-22 the City's UAL is increasing from \$593,050 to \$688,896, and increase of \$95,846. Not all of this increase is paid by the General Fund. It is distributed based on the employee's payroll distributions across the various funds they do work for. The table below shows the percentage of payroll rates for each type of CalPERS plan Lemon Grove employees are enrolled in. For the first time in a long time, the percent of payroll rates are going down for miscellaneous staff, but are still going up for fire staff.

CalPERS Employer Rates for Active Employees as a Percent of Payroll

Plan	FY 19-20	FY 20-21	FY 21-22	FY 22-23
Misc. Classic	11.432%	12.361%	12.200%	12.200%
Misc. 2nd Tier	8.081%	8.794%	8.650%	8.700%
Misc. PEPRA	6.985%	7.732%	7.590%	7.600%
Safety Classic	20.073%	21.746%	21.790%	21.800%
Safety PEPRA	13.034%	13.044%	13.130%	13.130%

New Changes

There are two (2) staffing changes being requested related to the two office aide positions, which both became vacant during FY 20-21, but have not been filled due to the hiring freeze. The administrative Heartland employees, whose costs are distributed among the JPA members, have absorbed the most essential duties of the fire department office aide. Therefore, staff is recommending not filling the position for a savings of \$22,136.

Staff also recommends not filling the City Hall office aide position. The License Clerk has extended her hours to provide front desk coverage and there is not the need for more entry level clerical assistance at City Hall. Instead, staff is requesting the creation of a new position titled Revenue Compliance Officer, a part time position within the Finance Department. The role will provide some front desk support, but will mainly focus on revenue collection efforts and code enforcement efforts that the City has been too understaffed to pursue in the past. The goal will be new revenue collection equal to 50% of the cost of the position, or about \$17,000. If the position proves adept at bringing in new revenue, staff may ask City Council to consider expanding this to a full-time position at the mid-year update.

Overall, expenditures in the draft budget total \$15,576,586, a 0.4% increase from FY 20-21. The increase is mainly due to the \$280,054 increase in the Sheriff's contract. The areas of expenditures increases were tempered by a reduction in fire lease payment

FY 2021-2022 General Fund Bottom Line

The General Fund draft budget estimates a bottom line operating deficit of -\$124,482. City Council has the following options to fund the operating deficit:

- use reserves
- use one-time revenue
- cut expenditures

The General Fund reserve is estimated to be about \$7 million at the beginning of FY 21-22, which is 45% of FY 21-22 General Fund expenditures. If the reserves are used to fund the whole deficit, the General Fund reserves will go down to about \$6.9 million at the end of the fiscal year, dropping to 44% of annual expenditures.

The City has received some one-time revenue that has not yet been allocated and the City will be receiving some additional one-time revenue over the next year. Staff recommends using one-time money for one-time expenditures, but City Council can direct staff to use it to balance the operating budget deficit instead. During FY 20-21 the City received a settlement of \$1,083,000 from the property owner of the previous site of an illegal marijuana dispensary. In addition, the California Department of Finance has approved the \$457,942 loan payment to the City from the Successor Agency for FY 21-22. Together, that is a total of \$1,540,942 in one time money available to budget.

Staff recommends allocating the one time revenue among the following one time expenditures during FY 21-22:

- City Council's priorities identified for FY 21-22.
- Investment in the City's 115 Trust for future pension obligations. The General Fund net pension liability was approximately \$6M as of 6/30/2020 and there is currently \$990,437 invested in the 115 Trust. Investments in the 115 Trust count towards the General Fund restricted reserves.
- Capital projects discussed and prioritized at the April 27th workshop, with a minimum need of \$550,000 for the most pressing projects.

Due to the recent passage of the American Rescue Act by the federal government, the City is expecting to receive about \$5M in additional stimulus funding. Half of the funding will be provided for FY 21-22 and half the following year. The U.S. Treasury Department is responsible for the administration of the funds. They have not yet published guidance on the details of allowable uses as of the writing of this staff report, but they have communicated that it should be coming soon. Further discussion and decision-making about how to spend the American Rescue Act funding will be agendized after the guidance is published by the federal government.

City Council can also choose to use expenditure reductions to reduce the deficit. This could be accomplished by retaining any of the reductions made in FY 20-21, listed in Attachment A, or new types of expenditures cuts yet to be determined. If the majority of City Council express interest in making specific expenditure cuts during tonight's discussion, staff will incorporate those cuts in the next draft of the General Fund budget to be reviewed at an upcoming City Council meeting.

RESOLUTION NO. 2016 - 3471

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LEMON GROVE, CALIFORNIA
APPROVING THE REVISED GENERAL FUND RESERVE POLICY**

WHEREAS, the City Council of the City of Lemon Grove recognizes the fiscal prudence of protecting reserve funds for the general operation of the City in the event of a natural disaster, an economic crisis or an unforeseen capital expenditure; and

WHEREAS, an established General Fund Reserve Policy will help ensure that the City maintains an appropriate reserve; and

WHEREAS, the City Council adopted the General Fund Reserve Policy on June 5, 2012;
and

WHEREAS, the revised policy eliminates the operating reserve fund that funds one time expenditures.

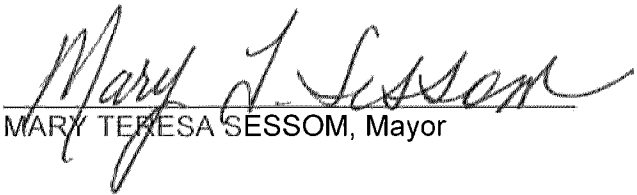

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lemon Grove, California hereby approves the revised General Fund Reserve Policy (Exhibit 1.)

Exhibit 1

CITY OF LEMON GROVE GENERAL RESERVE POLICY

Background

The Government Finance Officers Association (GFOA), an organization that promotes the professional financial management of governments for the public interest, recommends that local governments establish a reserve and maintain this reserve by adopting a formal policy for administration.

Purpose

To maintain the City's credit rating and meet seasonal cash flow shortfalls, economic downturns or a local disaster, the City Council shall establish a contingency reserve equal to 25% or more of the General Fund adopted operating budget.

The contingency reserve may be used at the discretion of the City Council to:

- Provide temporary resources in the event of an economic downturn while expenditure reductions are implemented.
- Provide resources to meet emergency expenditures in case of flood, fire, earthquake or other disasters.
- Provide resources for an unforeseen capital expenditure.

Administration

The City will establish a separate Fund (06) within the City's internal books to account for this Reserve Fund. All disbursements and replenishments will be accomplished as Inter-fund transfers. The Reserve fund will be combined with the General Fund for Financial Statements. It is important to clearly demonstrate the actual Reserve amount to the general public.

Year End

General Fund surpluses at Fiscal Year-end will be divided in half. Half will be transferred to the Reserve Fund, with the remaining half to be used at City Council discretion for one-time expenditures. The Pension Liability Fund (04) and/or Capital Reserve (32) are two possible uses for one-time expenditures.

Transfers

The use of the reserves shall be accomplished only by City Council Resolution. The City Resolution will direct which City Fund (entity) will receive an inter-fund transfer from the Reserve Fund. The Resolution will also include information regarding the plan and timeframe for replenishment of the Reserve provided the Reserve is below the minimum requirement.

Subject: Lemon Grove City Council public comment Item 2B - update the Medical Marijuana Ordinance (Title 17) and delete Chapter 8.64 (Title 8) of the Municipal Code.
Date: Tuesday, June 15, 2021 8:59:47 AM

Kathleen Lippitt here. I've watched the same strategy unfold in city after city by marijuana lobbyists. "Medical" marijuana was always only a space holder for recreational sales. Lemon Grove should not continue to capitulate to the industry.

It is always sad that the real-life experiences of parents who have lost children to marijuana abuse, addiction, suicide, serious accidental injury, or death, academic or career failure are dismissed while anecdotal and personal testimonials, never unsupported by facts or evidence-based science, are accepted.

The lesson for Lemon Grove is that every city that has given in to the lie that regulations will eliminate the black market or that recreational sales are needed has found the black market thrives under a regulatory framework. The city's time and resources will be dominated by relentless marijuana lobbying and litigation. Marijuana attorneys will exploit each and every one of the regulations you put in place. That is what they are paid to do.

The original argument that you accepted was to allow use of marijuana to accommodate those who chose to use it as a "medicine". But products intended to be used as a "medicine" are high CBD and low THC products. They are NOT the high THC products preferred by recreational users.

If you were ever sincere about responding to the argument based on "medical" necessity, you should not now consider allowing your medical accommodation to transition to recreational.

Once again, the industry's intention was duplicitous. It was always to transition to recreational sales because high THC products are far more profitable and recreational sales opens the door to the industry's ability to target youth and young adults with products that would be far more addictive and put them at

greater risk.

The revenues you anticipate will never compensate your communities for the harm the marijuana industry products will do. These will no longer be unintended consequences since the negative harms are now well known.

Good evening Mayor Racquel Vasquez & City Council members.

I have appreciated the City's attempts to keep our City safe and healthy, up to now.

However Item 2 is bad timing.

Raising my three adult sons, I have been concerned that they and their friends have had their lives upended and have grappled with the changes that have come from the disruption of their educational and economic trajectories as the result of COVID.

The City has been sensitive to needs of our families and our businesses, both of which are sometimes very fragile.

So I am really surprised by the City's proposal of bringing recreational marijuana businesses to Lemon Grove.

I wonder if we all really comprehend the consequences of the having more marijuana storefronts in town, with its pervasive signage and advertising. This visibility and promotion - threatens, sabotages, and diverts the lives of young people who may well decide that an acceptable form of relaxation, diversion or digression, is getting high.

Sometimes it has been suggested that permitting of marijuana storefronts will control the black market. This promise that unpermitted retail markets would just go away is a ridiculous industry assertion that is absolutely not supported by the data.

This is probably why 77 percent of California Cities DO NOT permit recreational marijuana storefronts.

I respectfully suggest that we need to continue with the City's present policies on no recreational marijuana stores which will protect young people's mental health.

Public Comment, Item 2 Recreational Cannabis

Dear City Council Members,

As a parent and director of a youth mentoring program, I urge you to resist calls by the marijuana industry to expand its client base by allowing the sale of recreational marijuana. This will further normalize marijuana use in the minds of teens. Allowing recreational pot will increase advertising in Lemon Grove to drive sales among existing users and attract new ones. Unfortunately, much of that advertising is geared toward young people.

Science is clear that THC is harmful to the brain development of those under 25. It results in higher rates of addiction, mental health problems including marijuana induced psychosis, and lower academic achievement. It also is linked to higher rates of suicidal ideation and deaths by suicide. The risk increases with heavy use and higher THC concentration. Keep in mind that the top-selling products in pot shops are high THC concentrates, both vapes and edibles. The health damage from vaping is well known. Less talked about, are the risks from over-consumption of edibles. Due to the delayed absorption time, some people consume too much and end up in the emergency room as a result, with a racing heart, anxious thoughts, extreme dizziness, even hallucinations. It is becoming increasingly common for children to consume marijuana edibles, because they look like “regular” cookies, candies, etc.

The industry is not doing enough to protect children, teens, and young adults. Neither is the Bureau of Cannabis Control, which has not conducted a single Minor Decoy Operation in the entire state.

Please prioritize public health over industry profits.

Regards,
Kelly McCormick

Good evening, City Council Members.

As you consider adding Marijuana Recreational Sales to Medi Pot Sales, I would like to share that I work with young people and I've learned, firsthand, the damaging and costly role marijuana can play in a family, and especially to teens and young adults. I am a father of 4 and grandfather of 13 and I want them to be proud of Lemon Grove.

Parents have requested the Sheriff and the California Bureau of Cannabis Control to do Minor Decoy Operations. Parents have been told by both that they do not have the resources to do this!

I see that nothing is to be gained by moving into the sales of Recreational Pot when the City, County, and the State's Bureau of Cannabis Control clearly don't have the resources to PROTECT OUR YOUTH.

Parents have also contacted Bureau of Cannabis Control (BCC) regarding restrictions on very addictive, high potency, marijuana products, a favorite of young adults. Again, there is NO Political will to move forward with these.

I feel that this is an especially bad time to be enabling more pot use through extending the footprints of a business whose business plan to be successful encourages increased usage with the potential for addiction.

It would be wise to postpone this decision until comprehensive law enforcement regarding the marijuana access by our youth become available.

What is the rush?

Hello Audrey,

Please read aloud the following comments in Public Comments at tonight's (June 15, 2021) city council meeting. Thank you.

Dear Council Members,

As you consider moving from medical marijuana to recreational, please listen to the data-based research. Consider the evidence, for example, showing that adding more *permitted* businesses **fuels** rather than eliminates the black market. Both sides of the marijuana issue, pro and con admit this to be the case. Check the websites.

Between 2014 and 2018, there was a **threefold** increase in MJ sales from \$3-1/2 billion to over \$10 B nationwide. At the same time, **illicit** cannabis sales grew from \$56B to over \$64B. We don't have 2019-2020 data yet...

But we DO know that the black market is alive and well because:

- Permitted MJ gives *illicit* dealers easier cover.
- Of the 14 million pounds of MJ grown in CA yearly, only about 20% is sold legally.
- The oversupply is often sold to the black market.
- Kids don't buy from **permitted** retail outlets; they buy black market products online, from social media and dealers.
- Underfunded law enforcement and slow moving regulators have trouble containing the well-organized criminal network that moves the black market,
- and now the FBI says the cartel black market has been accelerated by the open border.

Lemon Grove doesn't need the added problem of increased black market activity nor the added law enforcement and regulation costs to contain the criminal network that moves black market products.

Moving to recreational will harm not enhance the city.

Regards,
Peggy Walker

my name is Becky Rapp and I'm a concerned parent and public health educator. I'm extremely concerned with the proposed expansion of the marijuana ordinance. As other cities have moved forward in the permitting process many unfortunate circumstances have presented themselves.

I appreciated the planning commissioners' comments regarding education and outreach related to "drugged driving" and to ensure marijuana sales to minors are prevented.

When the term medicinal is changed to recreational young people assume it is safe and acceptable for them to consume THC infused products. I urge the city to send messaging counteracting the normalization and commercialization of marijuana the industry would have us believe.

With recreational marijuana in the city it is inevitable that you will see a higher percentage of drugged driving. According to the National Safety council motor vehicle deaths in 2020 estimated to be the highest in 13 years. An estimated 4.8 million additional roadway users were seriously injured in crashes in 2020 and the estimated cost to society was \$474 billion. This is staggering especially when you consider last year, we saw a drastic drop in miles driven due to COVID.

Former congressman Patrick Kennedy recently stated that he sees the marijuana industry viewing younger consumers as cash cows. The industry is banking on them becoming heavy life-time users, following the trend set by companies such as Altria Philip Morris and Juul. It's also interesting that Altria Phillip Morris, the tobacco giant has recently made multi-billion-dollar investments into the marijuana industry. Juul is also lobbying in support of marijuana legislation.

The language written into the ordinance needs to protect teens from this sort of exposure.

Thank you

Please read out loud at the 6.15.21 City Council meeting.

My name is Barbara Gordon. I'm here to express my concerns regarding the City Council moving to allowing recreational marijuana storefronts. I'm the adult advisor to a Hispanic youth group. Our teens are always watching what we do. We cannot put more drugs into the community and then expect that no harm will occur.

Since marijuana legalization, the medical community has published thousands of articles relating to the harms being seen with these products. Doctor Roneet Lev, the chief of the emergency department at Scripps Mercy Hospital and chairs the Emergency Medicine Oversight Commission, with the San Diego County Medical Society recently shared her daily experience, "the volume of emergency department visits in San Diego related to marijuana has increased 830 percent. There has been an increase in public perception of marijuana that it's relatively harmless but public perception is wrong. Every day I treat patients with psychosis, anxiety, palpitations & chest pain all due to marijuana use."

I know the city is looking to increase their revenue by allowing recreational sale of marijuana but at what cost to the city when you factor in staff time to oversee the permitting process and the allocated enforcement resources. The city of San Diego has budgeted a million dollars just to manage their Cannabis Bureau Division.

Please listen to the health professional who understands the risk of the marijuana policies you're advocating for instead of listening to the marijuana industry who puts profits over people's health and safety.

Thank you

Lemon Grove City Council:

Please understand that receiving public comment during our current covid time is challenging and those who stand to profit are more motivated to comment than the busy working parents who may or may not have time to look at city council agendas.

I am concerned about the proposal to allow recreational marijuana and cultivation in Lemon Grove. I have a personal experience with the devastating impacts of marijuana and I feel that enough people do not realize the real destruction this product can cause. My son experienced psychosis triggered by marijuana and continuing after THC was out of his system. He was hospitalized three times and made progress only to die a year later related to the mental illness exacerbated by marijuana.

Crime statistics do not tell the whole story. Education and outreach should include compliance checks. I do not think the fiscal impact will be neutral. Big businesses make lots of money cities pay the cost of enforcement and social impact and communities feel the negative impact.

Thank you,
Carol Green

Subject: E-comment re ITEM 2 expanding number and types of Marijuana businesses
Date: Tuesday, June 15, 2021 11:48:20 AM

Good evening City Council,

As a mother and grandmother, I am writing to express my deep concern regarding Item 2 on tonight's agenda in regards to expanding the number and types of Marijuana businesses in Lemon Grove.

One of the first marijuana businesses Cannabis Capitalist will ask for is "Distribution Sites" better known as 'old school' deliveries guzzied up as distribution sites.

Beware - these distribution sites have huge impacts on traffic safety wherever they located. Trucks in and out of the location, transporting marijuana and marijuana products and representatives of retailers, distributors, cultivators, manufacturers coming and going. And directors, officers, managers, employees, agents, and contractors of the distributor could be present at these distribution sites applications.

It could be a significant number of daily trips, contributing to profound and unexpected safety issues for surrounding businesses and residents. Traffic safety data should be collected regarding any marijuana business. The results should be posted at an 'easy to find' location on the City's website, and applicant fees should be high enough to include the costs of those analyses.

Also distribution sites should have business hours as well and code enforcement should be involved to make sure that the hours are respected. The City Council members should imagine what large trucks coming and going at any time during the night would be like for neighboring establishments.

Thanking you in advance,
Diane Grace

Hello Mayor Vasquez and City Council members.

I work in Lemon Grove in public health. I am concerned that City Council is considering moving from medi pot to recreational marijuana, which will expand the number of and type of marijuana businesses in Lemon Grove.

Lemon Grove should create balance sheet that weighs marijuana tax revenue and permit fees against 1) City's staff and enforcement expenses, 2) Cost to youth and their family, and 3) Impact on neighborhoods and the services that support them.

I wanted to share with you what the public health community is seeing in the City of San Diego as it deal with recreational marijuana businesses there.

The number of Marijuana impaired drivers has increased, as reported in the San Diego City Attorney press release.

Hash oil manufacturing causes explosions every couple of months in SD which has caused death, injuries, damaged and destroyed properties, displacement of residents including children, and diminished air quality, as reported in San Diego Union Tribune articles.

Nuisance to residential neighborhoods and small businesses when odor of product from small personal grows, and large cultivation sites, permeates homes and neighborhoods, as reported in public comment at the City Council meetings.

High THC concentrates precipitates mental health crises, hallucinations and paranoia, sometimes leading to violence and suicide, as reported at a mental health advisory board.

Law enforcement does not include minor decoy operations for stores

or deliveries regarding access to youth, as reported by the San Diego Police Department.

Rampant advertising and billboards are in the most vulnerable neighborhoods, as reported in San Diego's Planning Groups' meetings.

Respectfully, Judi Strang
