SD Nights - short for San Diego/Safe Destination Nights - is a FREE program developed by the County of San Diego Department of Parks and Recreation designed to provide teens, ages 10 - 18, with safe places to recreate after school, during critical hours.

Each SD Nights activity is curated to forge new connections between teens while equipping them with essential life skills and empowering them to make a difference in their communities. Activities change every week, featuring everything from laser tag, bubble soccer and game trucks to poetry nights and local art events. Leadership and employment opportunities are included, and meals are provided.
