497 24-hour/10-day Contribution Report Instructions

CALIFORNIA
FORM **497**

Filing Deadlines:

24-Hour Deadline

Except for the 10-day deadline noted below, the Form 497 is due within 24 hours of making or receiving contributions that total in the aggregate \$1,000 or more.

Exceptions:

- Those who receive a late non-monetary or in-kind contribution must file Form 497 within 48 hours of the date the contribution was received.
- Reports due on a weekend or state holiday, other than the weekend before the election, are extended to the next business day.

10-Business Day Deadline

- Any of a state candidate's committees or a state primarily formed ballot measure committee that receives a contribution of \$5,000 or more from a single contributor at any time other than during a 90-day election cycle, must file a Form 497 within 10 business days. This applies to **electronic filers only**.
- A state recipient committee that files electronically and makes contributions totaling \$5,000 or more to a state ballot measure committee must file Form 497 within 10 business days. If all required information is reported on a 90-day election cycle report, this 10-business day report is not required.
- A recipient committee that makes contributions totaling \$5,000 or more to support or oppose the **qualification** of a single **local** ballot measure must file Form 497 within 10 business days.

Other Important Information:

- Refer to the FPPC filing schedules located at www.fppc.ca.gov, or the local jurisdiction's filing schedule when applicable, for specific filing dates.
- Reportable contributions include monetary and non-monetary contributions, loans, or any combination of monetary and non-monetary contributions and loans, including contributions or loans from a candidate's personal funds to his or her campaign and contributions to a legal defense committee.
- The donor of a non-monetary contribution must notify the recipient of the contribution's value within 24 hours of the date the contribution was made. Notifications due on a weekend or state holiday, other than the weekend before the election, are extended to the next business day.
- Contributions of \$5,000 or more received from a nonrecipient committee require a major donor notification to be sent to the donor.
- The \$1,000 reports are required for contributions that total in the aggregate \$1,000 during the 90-day election cycle. For example, during the 90-day period before an election, a Form 497 is required if a single source made two \$500 contributions to the same candidate.
- Form 497 is not required when a transfer is made between two campaign committees for elective office controlled by the same candidate.

- Contributions listed on Form 497 must also be reported on the next regular campaign statement (Form 450 or 460).
