About the Regional Task Force on Homelessness (RTFH): The Regional Task Force on Homelessness' mission is to reduce and end homelessness in San Diego, ensuring that if this situation does happen for anyone, it remains a rare, brief and non-recurring instance; not an outcome. As the Continuum of Care lead agency in San Diego County, RTFH administers many of the core federal requirements from the U.S. Department of Housing and Urban Development. RTFH also serves as a strategic planning body, funder, regional convener, promoter of best practices, trainer, policy leader, and advisor in San Diego's collective efforts to end homelessness.
