Lydia Romero, City Manager
City of Lemon Grove
3232 Main Street
Lemon Grove, CA 91945

Dear Lydia Romero:

RE: City of Lemon Grove's 6th Cycle (2021-2029) Revised Draft Housing Element

Thank you for submitting the City of Lemon Grove's (City) revised draft housing element update received for review on October 27, 2023. In addition, the California Department of Housing and Community Development (HCD) received revisions on December 26, 2023 that were made available to the public for seven days prior to HCD review. Pursuant to Government Code section 65585, HCD is reporting the results of its review.

The revised draft element meets the statutory requirements described in HCD's September 12, 2022, review. The housing element will substantially comply with State Housing Element Law (Gov. Code, § 65580 et seq) when it is adopted, submitted to, and approved by HCD, in accordance with Government Code section 65585.

For your information, if the housing element relies upon nonvacant sites to accommodate more than 50 percent of the regional housing needs allocation (RHNA) for lower-income households, the housing element must demonstrate that the existing use is not an impediment to additional residential development in the planning period (Gov. Code, § 65583.2, subd. (g)(2)). This can be demonstrated by providing substantial evidence that the existing use is likely to be discontinued during the planning period (Gov. Code, § 65583.2, subd. (g)(2)). Absent findings (e.g., adoption resolution) based on substantial evidence, the existing uses will be presumed to impede additional residential development and will not be utilized toward demonstrating adequate sites to accommodate the RHNA. The City must make these findings as part of its adoption resolution. Please see HCD's Guidance memo (p. 27) for additional information: https://www.hcd.ca.gov/community-development/housing-element/housing-element-memos/docs/sites_inventory_memo_final06102020.pdf.

Public participation in the development, adoption, and implementation of the housing element is essential to effective housing planning. Throughout the housing element process, the City must continue to engage the community, including organizations that

represent lower-income and special needs households, by making information regularly available while considering and incorporating comments where appropriate. Please be aware, any revisions to the element must be posted on the local government's website and to email a link to all individuals and organizations that have previously requested notices relating to the local government's housing element at least seven days before submitting to HCD.

Several federal, state, and regional funding programs consider housing element compliance as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant, the Affordable Housing and Sustainable Communities programs, and HCD's Permanent Local Housing Allocation consider housing element compliance and/or annual reporting requirements pursuant to Government Code section 65400. With a compliant housing element, the City will meet housing element requirements for these and other funding sources.

For your information, some general plan element updates are triggered by housing element adoption. HCD reminds the City to consider timing provisions and welcomes the opportunity to provide assistance. For information, please see the Technical Advisories issued by the Governor's Office of Planning and Research at: <https://www.opr.ca.gov/planning/general-plan/guidelines.html>

HCD appreciates the hard work and dedication the City's housing element team provided in preparation of the City's housing element and looks forward to receiving the City's adopted housing element. If you have any questions or need additional technical assistance, please contact Jose Ayala, of our staff, at Jose.Ayala@hcd.ca.gov.

Sincerely,

Paul McDougall
Senior Program Manager
